DANG, *The Zoo at Home* Bernadette Candelario, *Beyond Buildings* J. Donald Ragsdale,2014-03-25 Beyond Buildings Designed Spaces as Visual Persuasion is an assessment of the visual persuasiveness of designed spaces It demonstrates that these spaces are as socially influential as speeches or advertisements are and that an awareness of this influence provides an insight into the cultural roles of designed spaces The book considers a diverse array of spaces ranging from pleasure gardens and parks to city parks and cities themselves and includes assessments of the visual impact of national parks zoological gardens amusement parks battlefields and monuments and the interior spaces of buildings Beyond Buildings is an extension of theories of persuasion and visual communication to landscape architecture and interior design The book bases its assessments on the elements of visual literacy as well as the elements of landscape and interior design to show that such designed spaces as gardens parks battlefields and cities affect the viewer in such a way as to have social impact **Sailing**

Bonner,2006-04 The fifteen stories of George Garrett s Empty Bed Blues his eighth book length collection are vintage Garrett no two alike with each moving one way and another in new and daring directions His stories are deeply concerned with the old verities of love and death and filled with the joys and woes of characters who come to life and command our attention Diversity is the key word for Garrett s short fiction He works in every known form and invents a few himself In A Story Goes with It Garrett fondly remembers an old friend while retelling a story the man once told him Most of it is probably not accurate as Garrett is quick to admit but the mixture of fact with fiction makes for an entertaining read His stories turn like the sharp curves of a mountain road abruptly changing from a fond trip down memory lane to a sleazy reporter s quest along the backroads for the ultimate crime story in Pornographers He tops off his collection with A Short History of the Civil War a series of poems written by two participants one a Confederate the other a Yankee In the marriage of fact and fiction of comedy and pathos and the music of many voices the stories of Empty Bed Blues reconfirm the judgment of novelist and story writer Richard Bausch who said in 1998 There is no writer on the American scene with a more versatile more eclectic or more restless talent than George Garrett **Que's Official Internet Yellow Pages** Joe
