Small Eternities Michael Lawrence,2005-09-20 Four months ago in the snowy depths of winter Alaric and Naia two teenagers who d never met discovered they were living almost identical lives in different versions of Withern Rise their riverside Victorian mansion One day they accidentally stranded themselves in the wrong realities Now it s summer and heavy rains have caused the river to overflow Withern Rise s grounds are under water when Alaric and Naia find their separate ways into an earlier reality a small eternity and meet a boy called Aldous Aldous Underwood But who is this Aldous Is he the old vagrant Naia has met in the present day or an Aldous destined to die very soon under mysterious circumstances And will their meeting change Underwood history

In the Cross of Reality Eugen Rosenstock-Huessy,2017-09-08 This book makes the first volume of Eugen Rosenstock Huessy s Soziologie available in English for the first time since its 1956 publication in German Rosenstock Huessy argues that social philosophy has favored abstract and spatially contrived categories of social organization over temporal processes This preference for space thinking has diverted us from recognizing the power of speech and its relationship to living on the front lines of life Taking speech and the social responsibilities and reciprocities that accompany naming as the key to social reality In the Cross of Reality provides a sociological exploration of play spaces as the basis for reflexivity It also explores the spaces of activity and their correlation in war and peace to the spheres of serious life If we are to survive and flourish different qualities and reciprocal relationships must be cultivated so that we can deal with different fronts of life Arguing that modern intellectuals and their obsession with space have created a dangerously false choice between mechanical and aesthetic salvation Rosenstock Huessy clears a path so that we better appreciate our relationship between past and future in founding and in partitioning time

By Accident Susan Kelly,2011-09-01 A grieving mother finds solace from her son s death in a relationship that quickly blurs the line between friendship and intimacy By Accident portrays a year in the life of a woman after the accidental death of her teenage son Laura Lucas is numbed by the loss a loss that is paralleled in the spate of upscale construction and attendant destruction in her starter home neighborhood It s about Laura s relationship with a young tree surgeon who slowly becomes a replacement for her son but also an object of desire The story reveals the delicate nexus where solace becomes sex the role of men and women as unmarried friends and examines grief in a marriage It portrays the pain of change and the poignancy of acceptance through Laura s eyes and occasionally through the quirky outlook of her ten year old daughter And before the story ends another brutal random accident will redefine Laura s life once again

Narrating Nonhuman Spaces Marco Caracciolo,Marlene Karlsson Marcussen,David Rodriguez,2021-08-18 Recent debates about the Anthropocene have prompted a re negotiation of the relationship between human subjectivity and nonhuman matter within a wide range of disciplines This collection builds on the assumption that our understanding of the nonhuman world is bound up with the experience of space thinking about and with nonhuman spaces destabilizes human scale assumptions Literary form affords this kind of nonanthropocentric

experience one role of the critic in the Anthropocene is to foreground the function of space and description in challenging the conventional link between narrative and human inter subjectivity Bringing together New Formalism ecocriticism and narrative theory the included essays demonstrate that literature can transgress the strong and long established boundary of the human frame that literary and narrative scholarship clings to The focus is firmly on the contemporary but with strategic samplings in earlier cultural texts the American transcendentalists modernist fiction that anticipate present day anxieties about the nonhuman while at the same time offering important conceptual tools for working through them

**Darkness Falling** David Niall Wilson,2022-06-28 When Klaus Von Kroft brings his band to the mountain village of Rathburg to perform a concert a generations old tapestry of blood and darkness draws about him like a shroud Delving into the disappearance of his parents Klaus finds himself entranced by Rosa a sunset haired woman of mystery and darkness her companions and the eerily perfect music they play But Rosa is far more than mysterious She has stolen the blood and souls of men on the mountain above Rathburg for centuries As Klaus is drawn into her web of vengeance and blood his friends are dragged along behind Can he unravel the mystery of the mountain and overcome the call of blood or will they all fall to Rosa s game of hunger and revenge The answer lies on the mountain but there is little time with *Darkness Falling* Ghosts is Sunlight Gretta Curran Browne, **Honeysuckle** Bar Fridman-Tell,2026-03-24 The Bear and the Nightingale meets Weyward in this enchanting deeply compelling debut about love and power autonomy and consent *Bridges to Understanding* Linda M.
