Political Correctness Geoffrey Hughes, 2011-09-13 Political Correctness Geoffrey Hughes has brought together with great panache the very many manifestations of political correctness both absurd and vicious and shown how they express a single collective mind set His book establishes beyond doubt that there is such a phenomenon that it has become dominant in our culture and that it represents a growing tendency to censor public debate and to prevent people from questioning orthodoxies which we all know to be false Roger Scruton American Enterprise Institute What a joy this book is Hughes study traces with unflagging zest the modern history of PC Sumptuous in data in judgment precise this is
