## **The Endgame:**

*Declining Demand, Divestiture, and Corporate Strategy* Kathryn Rudie Harrigan, 2003 This is a reprint of a previously published book Its original title was Strategies for Declining Businesses

*ISIS* Michael Weiss, Hassan Hassan, 2015-01-29 A revelatory look inside the world's most dangerous terrorist group Initially dismissed by US President Barack Obama along with other fledgling terrorist groups as a jayvee squad compared to al Qaeda the Islamic State of Iraq and Syria ISIS has shocked the world by conquering massive territories in both countries and promising to create a vast new Muslim caliphate that observes the strict dictates of Sharia law In *ISIS Inside the Army of Terror* American journalist Michael Weiss and Syrian analyst Hassan Hassan explain how these violent extremists evolved from a nearly defeated Iraqi insurgent group into a jihadi army of international volunteers who behead Western hostages in slickly produced videos and have conquered territory equal to the size of Great Britain Beginning with the early days of Abu Musab al Zarqawi the founder of ISIS's first incarnation as al Qaeda in Iraq Weiss and Hassan explain who the key players are from their elusive leader Abu Bakr al Baghdadi to the former Saddam Baathists in their ranks where they come from how the movement has attracted both local and global support and where their financing comes from Political and military maneuvering by the United States Iraq Iran and Syria have all fueled ISIS's astonishing and explosive expansion Drawing on original interviews with former US military officials and current ISIS fighters the authors also reveal the internecine struggles within the movement itself as well as ISIS's bloody hatred of Shiite Muslims which is generating another sectarian war in the region Just like the one the US thought it had stopped in 2011 in Iraq Past is prologue and America's legacy in the Middle East is sowing a new generation of terror

*100 Endgames You Must Know* Jesus de la Villa, 2015-12-28 New 4th and improved edition of an all time classic The good news about endgames is there are relatively few endings you should know by heart once you know these endings that's it Your knowledge never goes out of date The bad news is that all the same the endgame technique of most players is deficient Modern time controls make matters worse there is simply not enough time to delve deep into the position Jesus de la Vila debunks the myth that endgame theory is complex and he teaches you to steer the game into a position you are familiar with This book contains only those endgames that show up most frequently are easy to learn contain ideas that are useful in more difficult positions Your performance will improve dramatically because this book brings you simple rules detailed and lively explanations many diagrams clear summaries of the most important themes dozens of tests

Deans,Fritz Kroeger,Stefan Zeisel,2003-05-22 An indispensable guide to strategic best practices for business mergers Thirteen years ago the experts at A T Kearney embarked on a landmark worldwide study of business mergers Encompassing 25 000 companies across 24 industries in 53 countries the study revealed much crucial information that was previously unknown about business consolidation This book shares those revelations and insights with senior executives consultants and industry analysts involved in the merger process More important it builds on those findings to present readers with a solid game plan for winning the consolidation game Readers learn about the consolidation cycles through which industries pass how to identify where in the cycle their industry currently lies how to leverage that knowledge in determining which organizational changes they need to make and when they need to make them and how to develop and deploy the most successful merger strategies **The Coast Artillery Journal** ,1923 The British Chess Magazine ,1912 **Impeaching Clinton** Nicol C. Rae,Colton C. Campbell,2004 Analysis of the impeachment and portrayal of the partisan and ideologically polarized state of American politics at the turn of the century Argues that the battle was not over Clinton but over control of the policy agenda back cover **Winning with Reverse Chess Strategy** William Reuter,1998 The Game of Go Arthur Smith,1908 The Legend of John Wilkes Booth C. Wyatt Evans,2004 The Legend of John Wilkes Booth is a story of how collective memories and popular histories collide with clash

and sometimes overcome mainstream accounts of the past It offers an alternate venue for studying the workings of Civil War memory in American culture and demonstrates how and why culture produced at the grassroots level can challenge the official version of events

**BOOK JACKET**     **The Liberals' Moment** Bruce Miroff,2009 Revisits the largely forgotten story of how the McGovern campaign represented the zenith of sixties style liberalism and how its historic defeat still haunts Democrats to this day and in the process identifies what Democrats must do before they can reassume their role as agents of progressive change     Chess Weekly ,1908     The Third American Tourney Harry Lieberman,Louis Charles Ginsberg,Newell Williams Banks,1915     Victory in Europe, 1945 Arnold A. Offner,Theodore A. Wilson,2000 In this collection senior scholars explore the transition from war to uneasy peace how and why the war ended as it did whether a different resolution was possible and if the ensuing Cold War was inevitable

**The Origins of FBI Counterintelligence** Raymond J. Batvinis,2007 Examines the United States efforts to create and project a strong counterintelligence capability both at home and abroad during the 1930s Several federal agencies governmental departments and military divisions vied for that role before it was eventually handed to the FBI The author a former FBI agent chronicles the evolution achievements and failure of that effort

**Shadow on the White House** David L. Anderson,1993 Harry Truman s administration began searching for an American response to the clash in Indochina between French colonialism and Vietminh communism in 1945 Thirty years and five administrations later Gerald Ford and his aides tried unsuccessfully to solicit additional aid for South Vietnam from a reluctant Congress For Truman Ford and every American leader in between the dilemma in Vietnam hung ominously over the presidency In Shadow on the White House seven prominent historians examine how the leadership of six presidents and an issue that grew into a difficult and often unpopular war shaped each other Focusing on the personalities politics priorities and actions of the presidents as they confronted Vietnam the authors consider the expansion of presidential power in foreign policy formulation since World War II In their analyses they chronicle the history of executive leadership as it related to Vietnam assess presidential prerogatives and motives on war and peace issues and clarify the interconnection between the modern presidency and the nation s frustrating tragic and humiliating failure in Southeast Asia Although other histories have been written about the Vietnam experience this book is the first systematic and comparative survey on presidential leadership as it relates to the war issue It is organized by presidential administrations giving a detailed examination of each president s decisions and policies Based on the most recently opened archival sources the essays provide a framework on which to hang the kaleidoscopic events of the war Amazon com

**Breach of Trust** Gerald McKnight,2005 Explains how the Warren Commission had a political agenda dictated by the FBI causing it to reach its lone assassin conclusion and how the Commission s own documentation and other papers point to a likely conspiracy theory     *The Bradford Tournament* British Chess Association,1888
