

The Long Legged House

William Henry Hudson

The Long Legged House:

The Long-Legged House Wendell Berry, 2012-04-12 First published in 1969 and out of print for more than twenty five years The Long Legged House was Wendell Berry s first collection of essays the inaugural work introducing many of the central issues that have occupied him over the course of his career Three essays at the heart of this volume The Rise The Long Legged House and A Native Hill are essays of homecoming and memoir as the writer finds his home place his native ground his place on earth As he later wrote What I stand for is what I stand on and here we see him beginning the acts of rediscovery and resettling

The Unforeseen Self in the Works of Wendell Berry Janet Goodrich, 2001 In this fresh approach to Wendell Berry s entire literary canon Janet Goodrich argues that Berry writes primarily as an autobiographer and as such belongs to the tradition of autobiography Goodrich maintains that whether Berry is writing poetry fiction or prose he is imagining and re imagining his own life from multiple perspectives temporal as well as imaginative

Wendell Berry Jason Peters, 2007-07-20 A portrait of an American thinker with contributions by Barbara Kingsolver Bill McKibben Sven Birkerts Wes Jackson and more A masterful collection Charlotte Observer Essayist social critic poet mad farmer novelist teacher and prophet Wendell Berry has been called many things but the broad sweep of his contemporary relevance and influence defies facile labels With a unique perspective and far reaching vision Berry poses complex questions about humankind and our relationship to the land and offers simple but profound solutions Berry s writings give voice to a provocative but consistent philosophy that extends far beyond its agrarian core to include elements of sociology the natural sciences politics religion philosophy linguistics agriculture and other seemingly incompatible fields of study

Wendell Berry Life and Work examines this wise original thinker appraising his written work and exploring his influence as an activist and artist Each of the contributors including Hayden Carruth Sven Birkerts Barbara Kingsolver Stanley Hauerwas Donald Hall Ed McClanahan Bill McKibben Scott Russell Sanders Norman Wirzba Wes Jackson and Eric T Freyfogle examines an aspect of Berry s varied yet cohesive body of work Also included are highly personal glimpses of Berry his career academic influence and unconventional lifestyle These deft sketches show the purity of Berry s agrarian lifestyle and demonstrate that there is nothing simple about the life to which he s devoted himself He embraces a life that sustains him not by easy purchase and haste but by physical labor and patience not by mindless acquiescence to a centralized economy but by attention to local ways and wisdom This book combines biographical sketches personal accounts literary criticism and social commentary The result is a rich portrait of one of America s most profound and honest thinkers

Life, Land, and Elijah in the Book of Kings Daniel J. D. Stulac, 2020-12-10 Using a canonical agrarian approach Stulac demonstrates the rhetorical and theological contribution of the Elijah narratives to the Book of Kings
