MERISMOS

"FOR THE WORD OF GOD IS QUICK, AND POWERFUL, AND
SHARPER THAN ANY TWO EDGED SWORD, PIERCING EVEN
TO THE DIVIDING ASUNDER OF SOUL AND SPIRIT ..."
HEBREWS 4:12

RANDY SHANKLE

The Merismos

Christine Mohrmann

The Merismos:

The Merismos Randy Shankle,1987-01-01 **The Athenian Ecclesia** Mogens Herman Hansen,1983 The first volume of *The Athenian Ecclesia* covers the author's articles on the subject in the period 1976-1983 on the working and functioning of the Athenian assembly. The book covers a variety of elements in the discussion of the Ecclesia such as how many members the assembly consisted of, how they met and voted, concepts of *nomos*, *psephisma*, *demos*, *dicasterion* and a comparative analysis on the Ecclesia and the Swiss *Landsgemeinde*. *From Deliberative Democracy to Consent Democracy* Dorothea Rohde,2023-04-24 The political system of Athens experienced a rebalancing in the period between 404 and 307 which cannot be adequately captured with the keywords decline or crisis. The comprehensive analysis of Athens public finances opens up a new approach to this hinge period between classical and Hellenism and explains the evident change in the political order through the gradual and consensual transformation of the broad based deliberative democracy into one led from above but through the attribution of competencies and moral political trust. Consent democracy carried into the ruling elite. Thus an adaptable mechanism had been created as it was then to prevail in many places in Hellenism and which was constitutive for it. *The Athenian Constitution Written in the School of Aristotle* Aristotle,2017 This is an up to date edition of the Athenian Constitution which was written in the school of Aristotle in the fourth century B.C. by a scholar who has been engaged with this text throughout his working life. **Sacred and Public Land in Ancient Athens** Nikolaos Papazarkadas,2011-10-13 This book examines the ways by which the city state of Athens and its various associations administrative and religious managed their landed assets. It investigates the close connection between income and sacred property and it analyses notions of sacred and public ownership in antiquity by deconstructing earlier anachronistic interpretations. Greek, Roman and Byzantine Studies ,1979 The Economy of Classical Athens Emmanouil M. L. Economou,2023-10-06 In parallel to the development of democracy the Athenians of the Classical period established a series of sophisticated economic institutions for the time through which they developed a maritime and commercially oriented economy. This book provides a thorough analysis of this transformation and the functioning of the Athenian economy during the Classical period. Through the approach of New Institutional Economics (NIE) the book explores the establishment of key institutions including property rights protection, the legal protection of commercial contracts, prices determined by the forces of supply and demand, institutions against profiteering, banking services, the provision of loans through interest rates, consumer credit insurance companies and a primitive version of joint stock companies. Furthermore, the book focuses on the structure of the public sector on how the state budget was determined and on how decisions on public revenues and expenditures were made. It also provides an integrated and detailed analysis of the social welfare policies that were implemented through the provision of a variety of public goods in Classical Athens. Moreover, it focuses on a series of socio-economic aspects such as the social status of women, slaves and foreigners and the viewpoints of prominent Athenian philosophers regarding economic organization.

Finally the book investigates whether an Athenian economic political model of governance based on a combination of advanced economic institutions of free market type logic even if in a primordial form and direct democracy principles can provide any lessons for modern societies The book will be of great interest to readers of the economy history and society of Ancient Greece as well as economic historians ancient historians and policymakers more broadly

Early Hellenistic Athens Jaakko Frösén,1997 **Ostraka in Amsterdam Collections (O. Amst.)** Roger S. Bagnall,P. J. Sijpesteijn,Klaas Anthony Worp,1976 **Classica Et Mediaevalia** ,1975 Death and Taxes Alan Edouard Samuel,Royal Ontario Museum,1971 **Bogowie starożytnego Egiptu** Muzeum Archeologiczne w Krakowie,Krzysztof Babraj,2000
