## Thinking Fascism:

**Thinking Fascism** Erin G. Carlston, 1998 This book analyzes three works by sexually marginal women sometimes grouped as the Sapphic Modernists Djuna Barnes's *Nightwood* 1936 Marguerite Yourcenar's *Denier du r ve* 1934 and Virginia Woolf's *Three Guineas* 1938 that engage directly or indirectly with fascist politics and ideology *Philosophy of Antifascism* Devin Zane Shaw, 2020-06-11 On January 20th 2017 during an interview on the streets of Washington D C white nationalist Richard Spencer was punched by an anonymous antifascist The moment was caught on video and quickly went viral and soon punching Nazis was a topic of heated public debate How might this kind of militant action be conceived of or justified philosophically Can we find a deep commitment to antifascism in the history of philosophy Through the existentialism of Simone de Beauvoir with some reference to Fanon and Sartre this book identifies the philosophical reasons for the political action being enacted by contemporary antifascists In addition using the work of Jacques Rancière it argues that the alt right and the far right aren't a kind of politics at all but rather forms of parapolitical and paramilitary mobilization aimed at re-entrenching the power of the state and capital Devin Shaw argues that in order to resist fascist mobilization contemporary movements find a diversity of tactics more useful than principled nonviolence Antifascism must focus on the systemic causes of the re-emergence of fascism and thus must fight capital accumulation and the underlying white supremacy Providing new incisive interpretations of Beauvoir existentialism and Rancière he makes the case for organizing a broader militant movement against fascism *The Palgrave Handbook of Popular Culture as Philosophy* Dean A. Kowalski, Chris Lay, Kimberly S. Engels, 2024-04-30 Much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments But works of pop culture are important in their own right they shape worldviews inspire ideas change minds We wouldn't balk at a book dedicated to examining the philosophy of *The Great Gatsby* or 1984 why aren't *Star Trek* and *Superman* fair game as well After all when produced the former were considered pop culture just as much as the latter This will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field It will be the go-to resource for students and researchers in philosophy culture media and communications English and history and will act as a springboard to introduce the reader to the other key literature in the field **Fascist Mythologies** Federico Finchelstein, 2022-07-05 For fascism myth was reality or was realer than the real Fascist notions of the leader the nation power and violence were steeped in mythic imagery and the fantasy of transcending history A mythologized primordial past would inspire the heroic overthrow of a debased present to achieve a violently redeemed future What is distinctive about fascist mythology and how does this aspect of fascism help explain its perils in the past and present Federico Finchelstein draws on a striking combination of thinkers Jorge Luis Borges Sigmund Freud and Carl Schmitt to consider fascism as a form of political mythmaking He shows that Borges's literary and critical

work and Freud's psychoanalytic writing both emphasize the mythical and unconscious dimensions of fascist politics. Finchelstein considers their ideas of the self-violence and the sacred as well as the relationship between the victims of fascist violence and the ideological myths of its perpetrators. He draws on Freud and Borges to analyze the work of a variety of Latin American and European fascist intellectuals with particular attention to Schmitt's political theology. Contrasting their approaches to the logic of unreason, Finchelstein probes the limits of the dichotomy between myth and reason and shows the centrality of this opposition to understanding the ideology of fascism. At a moment when forces redolent of fascism cast a shadow over world affairs, this book provides a timely historical and critical analysis of the dangers of myth in modern politics.

**Thinking Fascism** Erin G. Carlston, 2022. *Thinking Fascism* analyzes three works by women writers: Djuna Barnes's *Nightwood* (1936), Marguerite Yourcenar's *Denier du r ve* (1934), and Virginia Woolf's *Three Guineas* (1938) that engage directly or indirectly with fascist politics and ideology. Through these analyses, the author explores the conjunction between fascism and other forms of modernity and refines the discussion about the relationship between women intellectuals and the various aesthetic and ideological practices collected under the names of modernism and fascism. Until recently, much theoretical work on fascism has represented fascist thought as radically different from and inimical to non-fascist thought, and feminist criticism has further assumed that women intellectuals, especially the sexually marginal women sometimes grouped as the Sapphic Modernists, were necessarily antagonistic to fascist ideologies. In contrast, the author argues that Western intellectuals of both genders and all political persuasions were preoccupied in the 1930s with the commodification of culture and sexuality, the erasure of liberal bourgeois concepts of the individual and the work of art in mass society, and the failure of social institutions to provide transcendence and immediacy in the face of these transformations. By demonstrating that women writers like the Sapphic Modernists and conservative or fascist male modernists often articulated very similar conceptions of these problems, this book suggests that fascism cannot be posed as the absolute other of non- or even anti-fascist politico-cultural discourses in the interwar period.

*The Journal of Philosophy*, 1926. Covers topics in philosophy, psychology, and scientific methods. Vols. 31 include a Bibliography of Philosophy (1933).

**Mussolini's Fascist Philosopher** M. E. Moss, 2004. Giovanni Gentile was one of the most important and controversial thinkers of twentieth-century Italy. His philosophy and fascist ideas reflect the defining characteristics of the Italian romantic rebellion against European and English enlightenment thinking. The Ariadne's thread which runs through and unifies all of Gentile's thought originates accordingly from his neo-Hegelian reaction to the philosophy of Kant and of Kant's immediate predecessors. The range of Gentile's ideas on pedagogy, logic, metaphysics, political theory, and aesthetics—the original way in which he developed and adapted the thoughts of Hegel, Fichte, and Marx, and finally his description of himself as the philosopher of fascism—all encourage us to revisit and re-evaluate his system. This book reveals how Gentile came to advocate his actual idealism and evaluates his systematic philosophy by making explicit inconsistencies that arise from within his system and by questioning

his idealist assumptions     **Making the Fascist State** Herbert Wallace Schneider,1928     World Fascism Cyprian Blamires,2006-09-18 Publisher description     **Harper's Magazine** Henry Mills Alden,Thomas Bucklin Wells,Lee Foster Hartman,Frederick Lewis Allen,1924 Important American periodical dating back to 1850     Alternative für Deutschland: The AfD Thomas Klikauer,2020-02-21 Right wing populism has been on the rise in Europe and elsewhere Germanys foremost populist party is called Alternative for Germany AfD Founded in 2013 and entering Germanys federal parliament in 2017 the AfD increasingly moved towards right wing extremism Today the party is Germanys most successful nationalistic party Following the populist playbook the AfD started off with a simple neoliberal and anti Europe message but soon moved towards the extreme right By 2017 the AfDs ultra nationalistic wing had successfully outmanoeuvred the partys moderate and neoliberal leader Frauke Petry Written from the standpoint of openness pluralism liberalism and democracy this book examines the AfDs rise to fame its successes and the partys ideological links dating back to German Nazism of the 1930s The author illuminates the partys ideological and institutional links to present day Neo Nazis its close associations to the right wing street movement Pegida the recruitment of right wing extremists and former Neo Nazis into its parliamentary ranks its xenophobic anti Muslim racist and anti Semitic ideologies and its relationship to the neo fascist Identity Movement A historical overview positions the AfD within Germanys political landscape The work engages with the make up of AfD voters and electoral successes the partys relationship to anti Semitism and its dreams of re establishing a mythical Aryan Volksgemeinschaft Close attention is paid to the AfDs demagogic and nationalistic leader Bjoern Hoecke as well as the partys admiration for the radical right of neighbouring Austria A final chapter examines the fascist character of the AfD as measured against Umberto Eco's fourteen elements of Ur Fascism Three questions are posed Will the AfD lead to the end of German democracy Is Germany moving towards another Third Reich Is there another Hitler in the making     *The Fascist Movement in Italian Life* Pietro Gorgolini,1923     The Fascist Dictatorship International Committee for Political Prisoners,1926     **Foreign Affairs** Edmund Dene Morel,Helena Maria Swanwick,1927     *Graduate Faculty Philosophy Journal* ,1991     *The New Statesman* ,1925     *The Century* ,1929     **Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World** Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,1922     **The Spectator** ,1926     *Civilian Defense, Published for Defense Council Directors and Executives Responsible for Plant Protection* ,1946

This book delves into Thinking Fascism. Thinking Fascism is a vital topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Thinking Fascism, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Thinking Fascism
- Chapter 2: Essential Elements of Thinking Fascism
- Chapter 3: Thinking Fascism in Everyday Life
- Chapter 4: Thinking Fascism in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of Thinking Fascism. This chapter will explore what Thinking Fascism is, why Thinking Fascism is vital, and how to effectively learn about Thinking Fascism.

3. In chapter 2, the author will delve into the foundational concepts of Thinking Fascism. This chapter will elucidate the essential principles that must be understood to grasp Thinking Fascism in its entirety.

4. In chapter 3, the author will examine the practical applications of Thinking Fascism in daily life. This chapter will showcase real-world examples of how Thinking Fascism can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of Thinking Fascism in specific contexts. The fourth chapter will explore how Thinking Fascism is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, this book will draw a conclusion about Thinking Fascism. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Thinking Fascism.

### **Thinking Fascism Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Thinking Fascism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Thinking Fascism has opened up a world of possibilities. Downloading Thinking Fascism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Thinking Fascism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads,

publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Thinking Fascism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Thinking Fascism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Thinking Fascism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Thinking Fascism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Thinking Fascism Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Thinking Fascism is one of the best

book in our library for free trial. We provide copy of Thinking Fascism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Thinking Fascism. Where to download Thinking Fascism online for free? Are you looking for Thinking Fascism PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Thinking Fascism. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Thinking Fascism are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials.
