

Welcome to the wacky world of broadcast news where no sacrifice is too great for an exclusive and without accident. Where the top press pressures are not stop for scoop reports at any and violence - and that's just behind the camera! Where headlines battles fierce, but Reynolds and Christopher turn on a love triangle caught up in the murder case of a friend. It's an aggressive network media - it called because it's better you see well done! Don't touch that dial when "Switching Channels" is both a rascal, romance, romp through the creative network network and an out-of-control satirical comedy masterpiece and yellow journalism based on the classic play "The Front Page".
