*The Living Church*, 1947      *Toward a Common Future* William G. Rusch, 2019-05-20 This book provides a specific proposal for churches divided by centuries long disputes and disagreements to move toward a vision of the unity of the church It seeks to offer a way for divided churches to move beyond the present quagmire that challenges much of the modern ecumenical movement Building upon the theological dialogues between the churches this volume identifies and supplies a way for churches to regain a momentum that seems recently to have been lost in the ecumenical movement

**The Papacy: Revisiting the Debate Between Catholics and Orthodox** Erick Ybarra, 2022-11-22 The Lord Jesus Christ intended his kingdom present on earth the Church of God to be one holy catholic and apostolic Prior to the Protestant Reformation in the sixteenth century history tells of the most egregious division in the Church between the Latin West and Byzantine East in AD 1054 and following How can it be that Catholics and Orthodox share a thousand years of ecclesial life together in one faith sacramental order and hierarchical government only to have that bond of communion broken Historians and theologians throughout the years have spilled much ink in recounting the causes and effects of this dreadful and heart wrenching division and among the many debates that exist between Catholics and
