The Dynamic Choral Conductor:

The Dynamic Choral Conductor Royal Stanton,1971 *The Dynamic Choral Conductor* Royal Stanton,1971

Choral Conducting Colin Durrant,2012-11-12 Choral Conducting is a resource for singers teachers and choral conductors and a college level text for students of choral conducting It also includes an overview of what is involved in leading a choral group and examines theories of learning and human behaviour and the history of choral music together with conductor s role The book also discusses issues of the conductor vocalist relationship the mechanics of singing rehearsal strategies and more *A Practical Guide to Choral Conducting* Harold Rosenbaum,2017-10-17 Rooted in the experience of a professional choral conductor this book provides a guide to practical issues facing conductors of choral ensembles at all levels from youth choruses to university ensembles church and community choirs and professional vocal groups Paired with the discussion of practical challenges is a discussion of over fifty key works from the choral literature with performance suggestions to aid the choral conductor in directing each piece Dealing with often overlooked yet vital considerations such as how to work with composers recording concert halls and choral tours A Practical Guide to Choral Conducting offers a valuable resource for both emerging choral conductors and students of choral conducting at the undergraduate and graduate levels

Leadership and Musician Development in Higher Music Education Dawn Bennett,Jennifer Rowley,Patrick Schmidt,2018-12-21 Leadership and Musician Development in Higher Music Education informs challenges and evaluates the central practices policies and theories that underpin the preparation of future music leaders and the leadership of music in higher education In higher education it is often presumed that preparing for professional work is the responsibility of the individual rather than the institution This anthology draws on the expertise of music practitioners to present the complexities surrounding this topic exploring approaches to leadership development while addressing prevalent leadership issues from multiple standpoints Leadership is an inherent part of being a musician from the creative act through to collaborative engagement it is fundamental to creating and sustaining a career in music To expect musicians to develop these necessary skills on the job however is unreasonable and impractical What support might be given to those looking to negotiate a career as a musician In fourteen essays contributors from around the globe explore this question and more questions such as How might leadership be modelled for aspiring musicians How might students learn to recognise appraise and extend their leadership development How might institutional leaders challenge curricular and pedagogical norms Effective leadership development for musicians is vital to the longevity of the profession Leadership and Musician Development in Higher Music Education is a likewise vital resource for students educators and future music leaders alike *Choral Conducting* Archibald Thompson Davison,1940 *Camerata* Arthur Wenk,2014-07-08 *Camerata* A Guide to Organizing and Directing Small Choruses distinguishes itself from all other works on choral conducting by starting at the very beginning the conception and purpose of an ensemble and continuing through all other aspects of rehearsing and organizing a chorus to performance and

reception Wenk offers basic information on getting started recruiting singers planning programs rehearsing music publicizing concerts sharing responsibilities financing the operation knowing the law and finally getting better He also offers detailed suggestions for creating an executive group to manage the choir as well ideas for repertoire and programming In addition to a step by step guide Camerata provides a wealth of supplementary material including a prospectus a statement of goals and means programs organizational documents a singer s guide documents for organizing a folksong competition a list of websites for publishers and choral federations and an annotated bibliography of works on choral conducting Wenk also includes more than twenty original Christmas carols and carol arrangements for performance by your small chorus This work will be a valuable resource for anyone interested in starting a new choral organization or improving an existing ensemble Although the book focuses on chamber choirs Wenk s practical suggestions based on more than forty years of experience as a choral conductor can be easily applied to any choral organization
