True Devotion:

A Treatise on the True Devotion to the Blessed Virgin Saint Louis de Montfort, Aeterna Press, Mary has been singularly hidden during her life It is on this account that the Holy Ghost and the Church call her alma Mater Mother secret and hidden Her humility was so profound that she had no propensity on earth more powerful or more unintermitting than that of hiding herself even from herself as well as from every other creature so as to be known to God only He heard her prayers to Him when she begged to be hidden to be humbled and to be treated as in all respects poor and of no account He took pleasure in hiding her from all human creatures in her conception in her birth in her life and in her resurrection and assumption Her parents even did not know her and the Angels often asked of each other Qu est ista Who is that Because the Most High either hid her from them or if He revealed any thing of her to them it was nothing compared to what He kept undisclosed Aeterna Press

but the manuscript remained practically unknown for more than a century. When almost by chance it was at last discovered in 1842 and published in 1843, the work was an instant success, proving extraordinarily effective in spreading the true devotion to the Most Holy Virgin. My motto *Totus Tuus* is inspired by the teaching of St. Louis Marie Grignion de Montfort. These two words express total belonging to Jesus through Mary: *Totus ego sum et omnia mea tua sunt*. St. Louis Marie wrote and he translates his words: *I am all yours and all that I have is yours. O most loving Jesus through Mary, your most holy Mother.*

Treatise on True Devotion, n. 233. This Saint's teaching has had a profound influence on the Marian devotion of many of the faithful and on my own life. It is a lived teaching of outstanding ascetic and mystical depth, expressed in a lively and passionate style that makes frequent use of images and symbols. All our perfection, St. Louis Marie Grignion de Montfort writes, consists in being conformed, united, and consecrated to Jesus Christ, and therefore the most perfect of all devotions is without any doubt that which most perfectly conforms, unites, and consecrates us to Jesus Christ. Now Mary, being the most conformed of all creatures to Jesus Christ, it follows that of all devotions that which most consecrates and conforms the soul to Our Lord is devotion to his holy Mother, and that the more a soul is consecrated to Mary, the more it is consecrated to Jesus.

Treatise on True Devotion, n. 120. When we praise her, love her, honour her, or give anything to her, it is God who is praised, God who is loved, God who is glorified, and it is to God that we give through Mary, and in Mary. *Treatise on True Devotion*, n. 225.

Saint Louis Marie Grignion de Montfort was a Catholic Priest and Missionary in Brittany and Vendée, France. He was born in Montfort-sur-Meu in 1673 and died in 1716. He was canonized by Pius XII in 1947. His feast day is on April 28th. He is considered one of the early proponents of the field of Mariology as it is known today and a candidate to become a Doctor of the Church.

True Devotion to the Blessed Virgin is one of the greatest and most celebrated books ever written about Our Lady. Praised by popes, mystics, and theologians, this profound and powerful book presents Mary as the essential and infallible key to the heart of Jesus. Nowhere will you find a deeper and more life-changing book on that quintessentially Catholic doctrine: the role of the Blessed Virgin Mary in the life of the Christian and the life of the Church. Unpublished during the saint's lifetime, it has enjoyed the endorsement of the many outstanding popes the Church has been blessed with since its discovery in 1842. John Paul II, in particular, was its tireless champion, crediting *True Devotion* with a turning point in his spiritual life, adopting his motto *Totus tuus* from St. Louis. The key to De Montfort's Marian spirituality is that he considered Our Lady to be the infallible and chosen gate to the heart of Christ. To Jesus through Mary, it is Christ Himself Who is at the center of True Devotion.

the 12th of May 1853 that the decree was pronounced at Rome declaring his writings to be exempt from all error which could
be a bar to his canonisation In this very treatise on the veritable devotion to our Blessed Lady he has recorded this prophecy
I clearly foresee that raging brutes will come in fury to tear with their diabolical teeth this little writing and him whom the
Holy Ghost has made use of to write it or at least to envelop it in the silence of a coffer in order that it may not appear
Nevertheless he prophesies both its appearance and its success All this was fulfilled to the letter The author died in 1716 and
the treatise was found by accident by one of the priests of his congregation at St Laurent sur Sevre in 1842 The existing
superior was able to attest the handwriting as being that of the venerable founder and the autograph was sent to Rome to be
examined in the process of canonisation All those who are likely to read this book love God and lament that they do not love
Him more all desire something for His glory the spread of some good work the success of some devotion the coming of some
good time One man has been striving for years to overcome a particular fault and has not succeeded Another mourns and
almost wonders while he mourns that so few of his relations and friends have been converted to the faith One grieves that he
has not devotion enough another that he has a cross to carry which is a peculiarly impossible cross to him while a third has
domestic troubles and family unhappinesses which feel almost incompatible with his salvation and for all these things prayer
appears to bring so little remedy But what is the remedy that is wanted What is the remedy indicated by God Himself If we
may rely on the disclosures of the Saints it is an immense increase of devotion to our Blessed Lady but remember nothing
short of an immense one

statement on the spiritual way to Jesus Christ through the Blessed Virgin Mary **True devotion to Mary** St. Louis-Marie Grignion de Montfort, 2025-01-14 From *True devotion to Mary* I learned what devotion to our Lady means While at first I held back in fear that Marian devotion would be a screen to Christ instead of opening the way in the light of Grignion de Montfort's work I understood in reality it is otherwise Our inner relationship with the mother of God follows organically from our relationship with the mystery of Christ Saint John Paul II *True Devotion to Mary* Saint Louis De Montfort, 2021-02-15 Mary is the Queen of heaven and earth by grace as Jesus is the King of them by nature and by conquest Now as the kingdom of Jesus Christ consists principally in the heart and interior of a man according to that word The kingdom of God is within you in like manner the kingdom of our Blessed Lady is principally in the interior of a man that is to say his soul and it is principally in souls that she is more glorified with her Son than in all visible creatures and that we can call her as the Saints do the Queen of hearts We must conclude that the most holy Virgin being necessary to God by a necessity which we call hypothetical in consequence of His Will she is far more necessary to men in order for them to arrive at their Last End We must not confound devotions to our Blessed Lady with devotions to the other Saints as if devotion to her was not far more necessary than devotion to them or as if devotion to her were a matter of supererogation **True Devotion to the Blessed Virgin** St. Louis-Marie Grignion de Montfort, 2026-01-09 A Treatise on the True Devotion to the Blessed Virgin first published in 1843 is considered to be the greatest single book on the Blessed Virgin Mary ever written and his call to Marian consecration served as the basis for the international Marian Press bestseller *33 Days to Morning Glory* Our Marian Fathers edition includes insightful commentary by Dr Robert Stackpole emeritus director of the John Paul II Institute of Divine Mercy designed to help you better hear and understand St. Louis Marie Grignion de Montfort 1673-1716 imitate its author's love for Our Lady and allow its life-changing teachings to transform the way you live your Christian faith The first entry in the new Marian Fathers Classics series *True Devotion to Mary* St. Louis-Marie Grignion De Montfort, 2013-03 *True Devotion to Mary* is universally acclaimed as the single greatest and most theologically authoritative book on the Blessed Virgin Mary ever to have been written This work has had a tremendous impact on a number of the most significant and influential popes from the late 19th Century right down to our own times 1 Pope Leo XIII beatified de Montfort in 1888 adopted de Montfort's Mariological terminology calling Mary the Mediatrix and Co-Redemptrix and wrote no less than ten encyclicals on the Rosary 2 Pope Saint Pius X in 1904 wrote his key Marian encyclical *Ad Diem Illum* adopting much of the language and sentiment of de Montfort's book *True Devotion* and even granted the Apostolic Blessing to all who would read de Montfort's great treatise on the Blessed Virgin that is the book you now hold in your hands 3 Pope Pius XII also a deeply Marian pope canonized de Montfort in 1947 raising him to the honors of the altar and 4 our beloved Blessed Pope John Paul II as many know took his papal motto *Totus Tuus* from de Montfort's Latin prayer of total consecration to the Blessed Virgin stating that his reading of *True Devotion* marked a decisive turning point in his life and spirituality that would forever shape his person, priesthood and

papacy There has even been serious speculation regarding de Montfort being made a Doctor of the Church Clearly this book is the definitive MUST READ for every Catholic Christian
