Time For Miracles:

DISCOVERING GOD'S KINGDOM BUSINESS Solomon Hailu , he kingdom of God is a profit driven business not simply a charitable organization or a non profit business Jesus presented the kingdom of God as a profitable business in all of his messages The kingdom of God is a place to work for God not just a place of begging God for something God gives every believer equal opportunity to work in His kingdom The very reason we are here on earth is to fulfil God s mandate of expanding His kingdom on earth However the Kingdom of God must involve in our lives before we involve in God s kingdom business The kingdom of God must shape our lives before we get involved in God s kingdom business One qualifies to do business in the kingdom of God if personally admitted to the Kingdom of God by being born again The book draws Biblical examples of people who effectively used their God given talents to work in the Kingdom of God and those who missed the opportunity in the kingdom of God by wasting their God given talents

Jesus' Course in Miracles ,2000 The JCIM derives from the Hugh Lynn Cayce version of the Course which was completed by Helen Shucman and Bill Thetford in 1972 Later editing by others removed about 25% of the material contained in the first five chapters and made numerous editorial changes which affected both the tone and the content of the message Many students consider study of the unabridged JCIM version to be indispensable in their curriculum Text only This edition does not include the Workbook or the Teachers Manual There is a good explanation of the JCIM on our website at <http://jcim.net/sacredsource.html> 306 pages plus 102 page appendix comparing the JCIM with the popular commercial version of the Course
