Kuijper,2009-11-20 A new economy is emerging from the global financial crisis In this groundbreaking book seasoned
executive and Harvard trained economist Mia de Kuijper guides readers through the fundamentals of this economy and
explains how companies and individuals can create sustainable wealth now The key is wielding one of twelve contemporary
sources of profit power Control just one and you are on the road to high returns Turning profit power into sustainable wealth
requires new strategies enumerated here for choosing and valuing investments structuring and managing global enterprises
confronting competitive threats and navigating markets which may increasingly display power law dynamics and where
distributions may have fat tails To derive this book s unique framework for achieving high returns de Kuijper rethought parts
of economic theory itself in light of the most transformative force in the new economy dubbed the Transparent Economy by
de Kuijper namely the vanishing cost of information and connectivity Based on original research and illustrated with lively
lessons from the experiences of the author and other successful investors and leaders Profit Power Economics draws a
detailed picture of the new competitive arena and gives readers a step by step approach to build or find exceptionally high
return enterprises and to utilize today s shifting market dynamics to influence choice and build wealth Opinions and
