

Lita T. Cruz, a single parent of eight, a BSC and MBA degree holder, college professor, top executive in the Philippines, migrated to the United States in 1991. She worked from clerical to Statistician to Human Resource Associate at a pharmaceutical company. She networked on weekends, to augment her income. On May 17, 2014, Lita T. Cruz got an award from a publishing company for the book "Starless Starr: A Story of Heartbreak, Challenge and Glory" penned in 1997. Her award inspired her back to writing and composing. In spite of all the controversial issues she encountered in the publishing world, she pursued her passion for composing and writing. Her books and songs are available at: [www.amazon.com/author/litacruz](http://www.amazon.com/author/litacruz)

The story is about an abandoned young housewife, who was at a complete loss on how to be an ideal parent. Getting married after college, with two sons, with no job experience, she was turned down in all her job search. She pursued her master's degree, and through the help of a classmate, she got an executive job, finally hired by a senator, who fell in love with her. With all strings attached on both sides, the senator, who won the country's presidency, and her first love trying to win her back, what path would she decide to take up?
