Schingoethe,2009-08 Many times I thought I couldn t live with you And many times I know I can t live without you Among a myriad of books about love and relationships you will not find another quite like C A story for Couples coming and going C brings wit and wisdom anecdotes and observations from a writer who has truly lived it in ways that frequently mirror our own With a lively unique and refreshing blend of narrative musical lyrics and quotable quotes C takes us on a journey through the phases of Coupling from Finding your C Mate to Un Coupling and even Post Couple Coupling While being a

couple is in many ways rather simple put two people together and ka boom you have a couple a multitude of factors can enhance aggravate or even detour the relationship C draws on the author s life n times with special colleagues to give us a highly perceptive view of what happens at various stages in relationships while offering actionable ideas that help make Coupling more fun Sometimes funny heartwarming or even heartbreaking C makes no pretenses about being more than its title implies Whether you re a 20 something a mid lifer or older currently Coupling Un Coupling or at stages in between C can help smooth out speed bumps on the highway to forever and make your Couple times more meaningful more enjoyable Perhaps because in many ways C is every reader s story too
