Western Security Undersized:

Security in a Small Nation Andrew W. Neal, 2017-03-15 The 2014 Referendum on Scottish independence sparked debate on every dimension of modern statehood Levels of public interest and engagement were unprecedented as demonstrated by record breaking voter turnout Yet aside from Trident the issue of security was relatively neglected in the campaigns and there remains a lack of literature on the topic In this volume Andrew Neal has collated a variety of interdisciplinary perspectives on security and constitutional change in Scotland and the UK including writing from experts in foreign policy analysis intelligence studies parliamentary studies and journalism Security in a Small Nation provides an illuminating analysis of the politics of security Its authors reflect on a number of related issues including international comparisons alliances regional cooperation terrorism intelligence sharing democratic oversight and media coverage It has a particular focus on what security means for small states and democratic politics The book draws on current debates about the extent of intelligence powers and their implications for accountability privacy and human rights It examines the foreign and security policy of other small states through the prism of Scottish independence providing unique insight into the bureaucratic and political processes associated with multi level security governance These contributions provide a detailed picture of the changing landscape of security including the role of diverse and decentralised agencies and new security interdependencies within and between states The analysis presented in this book will inform ongoing constitutional debates in the UK and the study of other secessionist movements around the world Security in a Small Nation is essential reading for any follower of UK and Scottish politics and those with an interest in security and nationhood on a global scale [Politics, Security and Development in Small States](#) Colin Clarke, Tony Payne, 2026-01-02 First published in 1987 Politics Security and Development in Small States analyses the crisis facing small states in the international political system at the time Incorporating general theoretical statements case studies academic reflection and policy prescription it ranges widely in terms of disciplinary perspectives and geographical coverage As an authoritative and timely survey of an international political issue brought sharply into focus by the U S invasion of Grenada in late 1983 this book will interest students and researchers of social sciences and those involved in the practical problems of small states politicians officials bankers diplomats and journalists **The National Security of Small States in a Changing World** Efraim Inbar, Gabriel Sheffer, 1997 The first part of this book is primarily devoted to analysing the impact of the system of international relations on the fortunes of small states The second part discusses the question what changes in the national strategy of small states are necessary in view of the new international system The authors of this volume come from various parts of the world and espouse differing outlooks Nevertheless they were able to coalesce around a similar theme in an effort to contribute to the international understanding of the special challenges that confront the world s small states **Small Arms Survey 2011** Small Arms Survey, Geneva, 2011-06-30 In examining various aspects of the provision of security the Small Arms Survey 2011

considers the growth of the private security industry and its firearms holdings worldwide the firearms holdings of private security personnel the use of private security companies by multinational corporations the use of emerging weapons technology among Western police forces and legislative controls over the civilian possession of firearms in 42 jurisdictions around the world Case studies provide original research on ongoing security challenges in Cote d'Ivoire Haiti and Madagascar This edition also presents the 2011 Small Arms Trade Transparency Barometer an estimate of the annual authorized trade in light weapons and a review of developments related to small arms control at the United Nations
