Some Champions:

The Champion in You Kenneth Ulmer, 2011-07-28 True champions are made not born God builds champions and He wants to build you into the champion you were meant to be Success is defined in today's culture mostly by monetary wealth Leaders are defined by leading But champions are in a class by themselves They are not defined by money or followers but by how they live and influence people in ways that glorify God and encourage and inspire others Examining the lives of biblical and modern day champions gives you the keys to becoming a champion through developing Stamina during challenges Winning character traits Integrity and trustworthiness Leadership qualities Solid moral values Author and pastor Kenneth Ulmer offers guidance and advice in a world increasingly bereft of true champions You will learn how to stay on track to becoming a true champion God's way and not be tripped up as many self-described Christian leaders have been in recent years Choose today to be a champion
