Atlantan Guild has determined Rex Badger needs to be removed from his position The Chief Conductor and Master Musician in the College of Musicians in New Aresia can no longer be allowed to infest the world with his schemes The Badger recreated the fallen Serpent Guild within the college and enjoys the ignorant backing of the Zeuthan Empire The entire infestation must be eradicated Daniel s plans are interrupted by the Swirling of Events an Imperative he could not ignore Ruth the Seer warns The offspring of Poseidon shall make his choice pray that it is the correct one This I have seen and so it will be The vague warning leads to a threat from the ocean that could cost Daniel his life and lead to victory for the Zeuthan Empire Everything he gained since winning the War of the Champions would then belong to the thief Rollen El Zeuller **To**

Ignite the Flames John A. BUTTRICK,2020-03-26 Ordinary music entertains Music composed by an Aakasear draws forth life force energy from the performer to be focused at will One in fifty births results in an Aakacarn an Aakasear comes along once in a thousand years if that often and so the huge population of Melody Wielders were seldom prepared for the arrival of the creative non conformist The world had not been prepared for a composer to live long enough to meet another Their final encounter brought the number back down to one and an end to the War of the Champions Now the world has Daniel Benhannon yet not everyone is pleased by the fact Many people preferred the number of Aakasears to be zero Ever since Daniel was trapped and his heart stopped and then restarted minutes later by Zeuthan Reapers he has been plagued by disturbing dreams with the same theme he achieves victory and then is again trapped with his dead nemeses mocking him When awake the Swirling of Events with its frequent and insistent imperatives throws him into perilous situations with only moments to recognize the danger and figure out the obscure chore he is supposed to accomplish In addition to rescuing Ginnie Cree from the bowels of the Willow Guild without totally incinerating his relationship with Aakadon he must save a life or lose twice the Potential somehow make peace with the untrustworthy Zeuthan Empire face a coming storm and do so while being blamed for every ground quake and natural disaster on both sides of the world **To Reap What Has Been**

Sown John A Buttrick,2023-01-15 In time you must become the symbol of house Benhannon and let it soar over the houses of potentates Silvia the Seer had been telling Daniel Benhannon often over the last few years and most recently about forty minutes prior to him taking to the air in the form of a giant falcon He is given less than twenty four hours to meet the demand or the coming storm she predicted would escalate into a full scale war Up until appearing in the sky over the city of Kyran Daniel had only flown over the house of one potentate the emperor of Zeutha The Devine Imperative specified plural houses and potentates although did not specify the exact number of homes nor did it give so much as a clue as to which rulers residences he should overfly Daniel had to wing it choose where to go and hope it was the correct choice and that his decision did not result in landing him in a pit he could not climb out of Under the heavy influence of the Devine Imperative Daniel is compelled to cast Into The Wind a Symphonic spell in which the Swirling of Events transports him like a leaf in the wind He never knows the destination only that the Music had in the past dropped him into perilous situations he barely survived While facing certain military conflict with the Zeuthan Empire and working to fulfill the requirements imposed upon him Daniel receives another Devine Imperative The Chosen Vessel must calm the world or millions will die and has only months to do so with little more to go on than another Seer adding I see the Seardoon hovering above great upheaval Little Alisiin his adopted daughter must be successful or the Chosen Vessel will not be able to calm the world Daniel must fulfill all of the Devine requirements within the time frames while reaping the consequences good and bad of his past successes
