The purple smoke cleared and the children could see something the size of a small cow trampling in front of them. The creature had red \_\_\_\_\_, leathery wings and a spike on the tip of its long tail. Phi asked the others if it was a dragon. The creature burped which created a mist of \_\_\_\_\_ smelling smoke. Lyla noted that they were going to be in so much trouble.

Paul signed something to find and Lyla signed back that he thought the \_\_\_\_\_ was too small to eat them. Lyla was \_\_\_\_\_ and looked like she was going to cry. Then she said it was Miss Spell's fault because she was the one who gave them the bookmarks. Marnet reminded everyone that Miss Spell had told them to get everything back and asked how they were going to do that.

The dragon said that it didn't want to go back because it liked it where they were. Lyla told Phi that she thought the dragon was smart and looked like a baby. This upset the dragon who shot \_\_\_\_\_ out of his nose and threatened to tell about. Both flew together and a beam of light \_\_\_\_\_ wrapping its long white body all over the place. Lyla moved closer to the dragon, much to the surprise of the others.
