

The Marble Mask

Hugh Macmillan

The Marble Mask:

The Marble Mask Archer Mayor, 2007 A frozen body is found on top of Vermont's tallest mountain in middle of winter. Lost hiker or foul play? It's hard to say until the marble-hard body is thawed out revealing oddly old-fashioned clothes, an ice pick wound to the heart, and a Canadian driver's license dating back 50 years.

The Ink of Melancholy André Bleikasten, 2016-10-31 Ink of Melancholy re-examines and re-evaluates William Faulkner's work from the late 1920s to the early 1940s, one of his most creative periods. Rather than approach Faulkner's fiction through a prefabricated grid, André Bleikasten concentrates on the texts themselves, on the motivations and circumstances of their composition, on the rich array of their themes, structures, textures, points of emphasis and repetition, as well as their rifts and gaps, while drawing on the resources of philosophy, psychoanalysis, anthropology. Brilliant in its thought and argument, Ink of Melancholy is one of the most insightful and stimulating studies of Faulkner's work.

Pergamon and the Hellenistic

Kingdoms of the Ancient World Carlos A. Picón, Seán Hemingway, 2016-04-18

The Hellenistic period, the nearly three centuries between the death of Alexander the Great in 323 B.C. and the suicide of the Egyptian queen Cleopatra VII the famous Cleopatra in 30 B.C., is one of the most complex and exciting epochs of ancient Greek art. The unprecedented geographic sweep of Alexander's conquests changed the face of the ancient world forever, forging diverse cultural connections and exposing Greek artists to a host of new influences and artistic styles. This beautifully illustrated volume examines the rich diversity of art forms that arose through the patronage of the royal courts of the Hellenistic kingdoms, placing special emphasis on Pergamon, capital of the Attalid dynasty, which ruled over large parts of Asia Minor. With its long history of German-led excavations, Pergamon provides a superb paradigm of a Hellenistic capital, appointed with important civic institutions: a great library, theater, gymnasium, temples, and healing center that we recognize today as central features of modern urban life. The military triumphs of Alexander and his successors led to the expansion of Greek culture out from the traditional Greek heartland to the Indus River Valley in the east and as far west as the Strait of Gibraltar. These newly established Hellenistic kingdoms concentrated wealth and power, resulting in an unparalleled burst of creativity in all the arts, from architecture and sculpture to seal engraving and glass production. **Pergamon and the Hellenistic Kingdoms of the Ancient World** brings together the insights of a team of internationally renowned scholars who reveal how the art of Classical Greece was transformed during this period, melding with predominantly Eastern cultural traditions to yield new standards and conventions in taste and style.

The World's Great Classics: Ancient history, by G. Rawlinson, 1902

Pompeian

Peristyle Gardens Samuli Simelius, 2022-08-01 This book examines how Pompeian peristyle gardens were utilized to represent the socioeconomic status of Roman homeowners, introducing fresh perspectives on how these spaces were

designed used and perceived Pompeian Peristyle Gardens provides a novel understanding of how the domus was planned utilized and experienced through a critical examination of all Pompeian peristyles not just by selecting a few well known examples This study critiques common scholarly assumptions of ancient domestic space such as the top down movement of ideas and the relationship between wealth and socio political power though these possibilities are not excluded In addition this book provides a welcome contribution to exploring the largely unexamined middle class an integral part of ancient Roman society Pompeian Peristyle Gardens is of interest to students and scholars in art history classics archaeology social history and other related fields The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
