The Underneath Kathi Appelt,2012-07-24 There is nothing lonelier than a cat who has been loved at least for a while and then abandoned on the side of the road A calico cat about to have kittens hears the lonely howl of a chained up hound deep in the backwaters of the bayou She dares to find him in the forest and the hound dares to befriend this cat this feline this creature he is supposed to hate They are an unlikely pair about to become an unlikely family Ranger urges the cat to hide underneath the porch to raise her kittens there because Gar Face the man living inside the house will surely use them as alligator bait should he find them But they are safe in the Underneath as long as they stay in the Underneath Kittens however are notoriously curious creatures And one kitten s one moment of curiosity sets off a chain of events that is astonishing remarkable and enormous in its meaning For everyone who loves *Sunder Shiloh* and *The Yearling* for everyone who loves the haunting beauty of writers such as Marjorie Kinnan Rawlings Flannery O Connor and Carson McCullers Kathi Appelt spins a harrowing yet keenly sweet tale about the power of love and its opposite hate the fragility of happiness and the importance of making good on your promises
