Traitor's Purse Margery Allingham, 2023-04-28 If I had to vote for the single best detective story this would be it A S Byatt Celebrated amateur detective Albert Campion awakes in hospital accused of attacking a police officer and suffering from acute amnesia All he can remember is that he was on a mission of vital importance to His Majesty s government before his accident On the run from the police and unable to recognize even his faithful servant or his beloved fianc e Campion struggles desperately to put the pieces together while World War II rages and the very fate of England is at stake Published in 1941 Traitor s Purse is a wartime masterpiece The Guardian Uncommonly exciting stuff replete with Allingham s skill in story building and the plausible characters that make her as much a fine novelist as a mystery writer The New Republic Margery Allingham stands out like a shining light And she has another quality not usually associated with crime stories elegance Agatha Christie
