

What is Yellow?

By, Kaylee Chiang

This is the color of a smile,
Silly and fun just like the sun,
It makes you laugh,
It makes you cry,
Don't let life pass you by,
It's bitter and bold,
But can break through the cold,
It shows the way you feel,
When it might not be a big deal.

Smells like a fresh spring morning,
Full of joy,
Never boring,

Smiles are as bright as all the stars combined,
And one should stop to rewind,
The moon beams glisten in the night sky,
The sun beams whispered "Oh my."
The big beautiful sun is your alarm clock,
Every morning it reminds you tick-tock.

When you smile, a light goes on,
Even at the break of dawn,
All of the animals moving,
And the birds chirping,
Even someone with a milkshake slurping,
This is what you hear,
This is what you see,
Don't you feel filled with glee?

When you want to be happy,
Just think of this rhyme,
It doesn't take too much of your time,
Always be nice,
Always stay cool,
And look, you notice there is no rule.

Collected Poems Vachel Lindsay,1925 A wide variety of moods and subjects are represented in this collection of poetry that is illustrated with drawings by the author **What Yellow Sounds Like** Linda Susan Jackson,2007 What is most compelling about Linda Susan Jackson s debut collection of poems What Yellow Sounds Like is the extraordinary self possession of its young female narrator as she seeks to answer who am I and to whom do I belong These poems are about the process of shaping the identity of one girl who comes from a line of technicolor women who have honey suckle buried freely in the folds of their flesh a girl who comes from men who bit their tongues ate dirt dust and their pride Worked anywhere and could soar off the ground The terrain of Jackson s poems is particular perilous loving humorous passionate uncompromising contradictory in other words vastly human The language is varied and inflected with the blues and like the blues pulls readers in through images and details that are both concrete and symbolic Poem after poem charts the stages of this young girl s development through her relationships with her family her history and the America into which she is born that is defined by race skin color gender and class The narrator develops a profound and essential connection to the legendary singer Etta James the canary colored blues woman and she recognizes the power in the sound of words as she recollects how Etta James churned up her roar to keep other women from dying Near the end of the book her great grandmother tells her Everything don t need to be told Some things must In this moment the narrator is empowered to decide what to tell and to

tell it in her own voice These poems celebrate the sheer will and determination of the self to seek out and find who or what it needs to grow and prosper Because she was homesick for the smell of Virginia tobacco and pit roasted hog because she longed to hear her big brother scratch out blues on his box because she craved the feel of corn silk and had six stair step children before she was twenty five she went to the funerals of strangers from Family Outing **Poems** Cecil Frances Alexander,1897 **Flying Yellow** Suzanne U. Rhodes,2021 A hopeful belief in heaven and the end of suffering colors these profoundly spiritual often uneasy poems *The Chinese Dark Poet: Huang Xiang and His Colorful World* Zhengming Fu (Sweden), Huang Xiang the protagonist of this book was born on 26th December 1941 in Guidong county Hunan province of central China After the Communists came to power in 1949 he was imprisoned six times and severely persecuted for his free spirited writing and his campaigns for human rights For more than thirty years this self educated poet and writer wrote secretly against the bondage of totalitarian ideology to safe guard the freedom of speech According to the author of the book Huang is a great dark poet who has expressed the painful memories fears and struggles that haunted his life creating wonderful poetic beauty in the darkness His poetic creation is a miracle in the history of Chinese contemporary literature We may say that Huang s identity as an unknown dark poet is conditioned by his personal emotional and tragic experiences of struggles while facing historical events such as the Cultural Revolution from 1966 to 1976 the April 5th Movement in 1976 the Democracy Wall Movement in 1978 and the Pro Democracy Movement in 1989 in China **Red and Yellow Boat** Tony Petrosky,1994 Counterbalancing these emotions are poems that celebrate the triumph of love the poet s love for his sons for a woman for lives that can be decisively changed The result is a moving intensely felt collection a striking successor to the poet s first book **The Works of Allen Ginsberg, 1941-1994** Bill Morgan,1995-02-28 Avant garde poet and popular culture icon Allen Ginsberg has been one of the world s most important writers for over 40 years This comprehensive bibliography covering the years 1941 to 1994 was prepared with the cooperation of the poet himself All books periodicals photographs recordings films and miscellaneous appearances are listed here Entries are grouped in chapters according to type of work and each entry provides full descriptive bibliographic information Allen Ginsberg is perhaps the most famous poet of our time as well as one of our most prolific writers His subjects range from Buddhist studies to drug research to gay rights to political issues of every description from Vietnam to censorship Ginsberg gave the author access to personal files and as a result every appearance of Ginsberg s writings in the English language is noted This bibliography is a comprehensive descriptive record of all of Ginsberg s works The volume contains descriptive annotations of every book pamphlet and broadside by Ginsberg It also contains complete descriptions of every contribution by Ginsberg to the works of others In addition all periodical contributions recordings films and miscellaneous publications are listed Due to Ginsberg s recent acceptance as a photographer of note a special section identifies all of his published photographs Entries are arranged in chapters according to the type of work to facilitate ease of use As a result this book presents a history of Ginsberg s works
