## **Yesterdays Flight Path:**

**Yesterday's Flight Path** Geoffrey Salisbury, 1988      *The Yesterday Tree* Kenneth Joel Teicher, 2015-08-15 Do you believe time travel is possible What about extraterrestrials Or both Computer specialist Joe Rebman joins a team to investigate what might be man s first contact with extraterrestrials The alien nature of the craft discovered at a remote location in the Arizona desert raises concern for national security This prompts the Pentagon to add Colonel Warren Anderson to the team A group of college students on a field trip is discovered near the landing site But they are not really students They are time travelers from five hundred years in the future with a mission to instigate the development of a worldwide genealogical database 26th century doctors will use the data to track down and cure people with genetic mutations saving millions from certain death Is this an advance party of an alien invasion or time travelers on a lifesaving mission Joe and the Colonel battle about which scenario is true Joe believes he must help the students save future humankind from genealogical doom Colonel Anderson doesn t buy the story and wants to focus on the present Who is right THE YESTERDAY TREE asks fundamental questions about how we might respond to extra terrestrial contact and confronts the possibility of time travel      *Last Flight for Whiskey Mike* Kenneth Bartholomew, 2019-12-20 When the childhood friend and secret adviser to the president of the United States pilots his plane to Washington at the request of the man himself he sets off a chain of events that will take him across the country and into the wilderness as he runs for his life Despite promising his wife that he had quit the DC scene Scott Piquard is once again answering the call because of looming war in Central America Straying into the secret tunnels deep below the White House with the security card given to him by President Brady he overhears high ranking officers plotting against Brady s life Spotting him they fire on him and make a radio transmission identifying Scott as a would be assassin Escaping to his airplane he must take off into storm clouds and elude the overwhelming resources of the US military using his outdoor survival skills to outwit his pursuers and try to save his own life and that of the president Just as it looks like he will succeed a double twist threatens their lives again in a dramatic conclusion Last Flight for Whiskey Mike is a fantastic read I loved what you did with the military scenarios I have read all of Ludlum and Clancy and this ranks up there with their top ten percent FBI regional supervisor name withheld due to regulations      *Congressional Record* United States.
