The Magic Cup:

The Magic Cup Howard Behar, 2016-03-29 We all love the fairy tales we grew up on creating a world in which good always wins over evil where those whose hearts are true and who do the right thing come out on top But grown up competition for success is rough even cutthroat and we've often heard that nice guys finish last Not according to Howard Behar whose career as one of the three leaders who built the Starbucks organization most definitely proves that nice guys finish first In THE MAGIC CUP Behar spins an engaging corporate tale to teach us exactly how we can do the same thing The story revolves around Vince Steadfast the newly named CEO of imaginary manufacturer Verity Glassworks which has fallen on difficult times Vince is hired to help the once iconic company return to its glory days and he brings with him a parting gift from his mentor and former boss a stunning crystal coffee cup from Verity's halcyon days The cup turns out to be magic truly and helps him come to understand and reinvigorate the values that Verity has misplaced along the way As Vince and his new team make their way to and through many challenges including the aptly named Worthy Way Perilous Passage and Arduous Stair the cup fills with a gold elixir and the universal truths that they learn to embrace such as Responsibility Forgiveness and Courage magically become engraved in the glass In the tradition of great parable writers throughout history Behar quickly involves us in an engrossing fantasy continually challenging us to compare each situation with our own real life experiences The story of THE MAGIC CUP helps each of us discover that only by acting on sound moral principles can we fill our own cups with the personal and professional success and satisfaction we seek *The Magic Cup* Andrew M. Scott Mcleod, 2013-03-05 I KNOW WHAT YOU'RE THINKING Bob's got a magic cup When he drinks his green tea from it in the morning for the rest of the day

he can hear people's thoughts If he doesn't drink from it then he gets splitting headaches that feel as if somebody's driving a sledgehammer into his head Seriously incapacitating It's a good thing he doesn't own a gun because he might just use it to end this pain It's as if the cup is demanding of him Drink from me drink from me And then when Bob does drink from the cup Ahh sweet peace Sweet Peace What does it want this magic cup Maybe it's the evil cup Hearing other people's thoughts it's incredibly cool and it's also incredibly terrible People are horrible the things they think Learning to work with it to dial it down and to hone it in it's as if the universe has given Bob Dawson an awesomely powerful tool one that was a bit unwieldy at first but now that he's getting the hang of it it's a skill that he can probably use to change the world for the better though first he's going to Vegas Imagine how well he'll be able to do at the card table being able to read people's thoughts and as for dating well the phrase unfair advantage doesn't even begin to apply Join Bob Dawson as he ventures into the dark territory of other people's minds and his own mind embarking on a journey from the stable shores of how he once viewed the world and entering new territory from which he will emerge forever changed *THE MAGIC CUP AND SAUCER* Jane
