The Margins Notes:

Writing in the Margins Lisa Nichols Hickman, 2013-08-06 No other time honored spiritual practice is as immediate raw and engaged with Scripture as writing responding to God in the margins of the Bible Composers like Bach to theologians like Barth botanists and saints all have written their thoughts directly in their Bibles In doing so they engaged their fullest selves with our most significant text Some people have lived with Scripture all their lives and yet feel estranged from it This book inspires a new encounter with the living Word and jump starts a deep creative and hands on approach to reading Scripture As you sit with pencil pen crayon or marker in hand and Bible in lap at whatever edges of life you are living within now that invitation is yours The creative practice of writing in the margins creates a divine conversation that transforms and guides Meet God in the margins Let God shape your character from the living interaction on the pages of your Bible *Writing in the Margins* is a book about making connections on the pages of your Bible and introduces a devotional and scriptural path of engagement that is life changing
