Appropriate for any performance situation, the pieces will resonate with teens and adults as they search for and express their feelings at the piano. The melodies will linger in your mind for days afterward, evoking happy memories and quiet reflections. A Compact Disc is also available.

With These Hands Joan M. Jensen, 1981. Beginning with Native American women, this volume traces the history of farm women of all races in the United States. The complex working lives of rural women, European immigrants, black slaves, and then farmers, Hispanic women in the new border states, emerge through letters, songs, fiction, official documents, journal entries, poetry, and oral history. The texts testify to women's love of the land, to their consciousness of racism and sexism, and to their energies for social change.
