

Why Do We Have Seasons?

Seasons are due to the Earth's axial tilt (not its distance to the Sun).

Methodist Worship R. Matthew Sigler, 2018-07-04 What makes Methodist worship Methodist or Wesleyan How do Methodists evaluate emerging forms of worship in light of their own liturgical heritage This book considers these questions by bringing to light the work and significance of three Methodist liturgists who have until now received precious little scholarly focus Thomas O Summers 1812 1882 Nolan B Harmon 1892 1993 and James F White 1932 2004 Exploring each one s contribution to the Methodist movement it evaluates their continuing legacies as scholars and practitioners of Methodist worship Importantly the work of all these men occurred during times of cultural change which gave rise to new ways of worship within the landscape of American Methodism Addressing them in chronological order this study shows how each figure enacted liturgical reform and renewal by drawing from the liturgical textual tradition inherited directly from John Wesley s Sunday Service of the Methodist in North America as well as the hymnody of Charles Wesley It also demonstrates how they sought to inculturate the Wesleyan liturgical tradition in the midst of these significant changes Evaluating historic and emerging trends in Methodist liturgical praxis this is a book that will be of great interest to scholars of Methodism the History of Religion Liturgical Studies and Theology Decisions and Orders of the National Labor Relations Board United States.
