Trinity Guide to the Trinity William J. La Due,2003-01-01 Provides a brief and comprehensive introduction to the mystery of the Trinity tracing the evolution of the doctrine from its Old Testament roots to its contemporary expressions Original **The Trinity** Hans Schwarz,2017-09-15 In the last thirty years books on the Trinity have abounded There seems to be a fascination with this mysterious topic especially among systematic theologians The topic has been mined for many different interests from liberation theology to feminist interpretations of the Christian heritage and from neo Reformation theology to interreligious dialogue This book has no intention of adding to the plethora of treatises on the Trinity The main question with which it is concerned is what is really scripturally tenable with regard to the Trinity and what is unwarranted theological construction or even speculation Through this question Schwarz tries to discern whether the theological assertions made about the Trinity are in line with the biblical base from which they are derived or whether they have veered off in a more or less questionable direction What takes shape here is a story how the doctrine of the Trinity developed over the subsequent centuries from the traces in Scripture to a centralized dogma at the heart of Christian teaching We witness in this an evolution from proclamation to controversy to speculation What are we to make of this doctrine How do we articulate the biblical faith today **What Every Christian Should Know about the Trinity** Rob Phillips,2019-07 The doctrine of

the Trinity distinguishes orthodox Christianity from counterfeit forms of the faith and sets Christianity apart from other monotheistic religions such as Judaism and Islam Even so many Christians struggle to understand and explain this non negotiable doctrine What Every Christian Should Know About the Trinity explores the biblical foundation of belief in one true and living God who exists as three distinct but inseparable co equal co eternal persons Father Son and Holy Spirit Written for pastors and laypersons alike this book features twelve straightforward chapters that conclude with probing questions making this an ideal resource for personal or group study Writings on the Trinity, Grace, and Faith Jonathan Edwards,2003-01-01

In this collection of writings drawn from Jonathan Edwards s essays and topical notebooks the great American theologian deals with key Christian doctrines including the Trinity grace and faith The volume includes long established pieces in the Edwards canon newly reedited from the original manuscripts as well as documents that have never before been published and that in some cases reveal new aspects of his theology *The Trinity* Saint Augustine (of Hippo),Edmund Hill,1990 A splendid translation made from a trustworthy Latin text of what is for some of us the foundation work of Christian theology He has fitted out his translation clearly the best of the four that have been made into English with notes that go well beyond the perfunctory and a 38 page introduction that is a delight to read Journal of Religion and Health Barry Ulanov *What Is*
