Transforming Problems Into Happiness:

Transforming Problems Into Happiness Thubten Zopa, Rinpoche Thubten Zopa, 2001-06 The author of *Wisdom Energy* brings contemporary relevance to timeless teaching on Buddhist psychology and everyday spiritual living Commenting on a 19th century Tibetan text Lama Zopa inspires readers to be happy by transforming their attitude and radically changing their approach to life's inevitable problems Dear Lama Zopa Thubten Zopa, 2013-09-23 Unconventional wisdom affirmation and advice from one of Tibetan Buddhism's most influential living teachers Lama Zopa Rinpoche is a master at explaining Buddhism's radical but effective methods for transforming suffering into happiness which have been practiced and taught by Tibetans for a thousand years It's a challenging way to think how can it be that the things that cause us pain are actually blessings In *Dear Lama Zopa* Rinpoche applies that challenge to our everyday real life problems from the smallest to the biggest Every year he receives thousands of letters from people around the world asking for advice on coping with everything from addiction grief and depression to war terrorism and death In his detailed and deeply caring responses to these letters reproduced here Rinpoche shows again and again that the best method for solving our problems is to radically change the way we perceive them that by emphasizing their inner causes we can even change the resulting outer circumstances Even people familiar with notions like karma and reincarnation which imply that we are the creators of our own experiences may find the advice difficult Yet uncountable thousands of people of all backgrounds have put Rinpoche's loving guidance into practice and have seen real and positive change in their lives Now with *Dear Lama Zopa* you can see for yourself
