The Translators Revived Alexander Wilson McClure, 2017-09-15 Excerpt from The Translators Revived A Biographical Memoir of the Authors of the English Version of the Holy Bible The writers to whom the author of this book is most indebted for his biographical materials are Thomas Fuller and Anthony a wood The former the wittiest and one of the most delightful of the old English writers and the latter one of the most crabbed and cynical What has been obtained from them was gathered wherever it was sprinkled in scattered morsels over their numerous and bulky volumes Beside what was furnished from these sources numerous fragments have been collected from a wide range of reading including every thing that seemed to promise
