Type A Behavior and Your Heart Meyer Friedman, Ray H. Rosenman, 1982-07-12 Do you have a habit of explosively accentuating key words in your ordinary speech and finishing your sentences in a burst of speed Do you always move walk eat rapidly Do you get unduly irritated at delay when the car in front of you seems to slow you up when you have to wait in line or wait to be seated in a restaurant Do you often try to do two things at once Do you almost always feel vaguely guilty when you relax and do absolutely nothing for several days even several hours If you answered YES to any of these questions you may be falling into the dangerous TYPE A pattern
