study charts the shifting moral landscape while tackling the weightiest question of human existence what is the meaning of life Humanity's moral framework remains in a constant state of reconstruction As the author points out in his opening chapter Two hundred years ago if a woman was raped and became pregnant we'd kill the rapist and spare the baby Today we spare rapist and kill the baby Centuries ago many cultures condoned polygamy today we put people in jail for it Over the course of this weighty tome which is just shy of 1 000 pages the author ponders what morality is with an emphasis on humans as grouping or herding creatures and the causes of its flux and reflux Furthermore there is an attempt to reconcile opposing philosophical theories by introducing a new conceptual model called Dual Morality proposed as an all encompassing blueprint of human morality The study is logically structured divided into four sections The Theory of Dual Moralism The Explanation including investigations of the group and the self The Derivations which considers family country religion and science nature technology and finally The Extrapolations a far reaching look at everything from pleasure and happiness to suicide murder and abortion The author possesses the rare skill of being able to explore himself with an enviable ease drawing on palatable references to popular culture For example Comedian Woody Allen said he laughs at his own jokes when they first come to him because humor originates in the unconscious When his conscious mind hears them for the first time it is as if they came from another place and so we are in a way an audience to our own humor This approach applied throughout makes complex ideas not only accessible but entertaining and enjoyable as well The result is far from the predictable dry academic thesis This is a learned thoroughly researched study and dazzlingly bright The effervescent approach to writing makes its 951 pages fly by Fritz's dedication is to that miniscule fragment of humanity who read books like this Studies as brilliant as this one deserve a far wider audience An engrossing and mind expanding examination of morality Kirkus Indie Kirkus Media LLC 6411 Burleson Rd Austin TX 78744 indie kirkusreviews **The Ladies' Home Journal** ,1999-05 **American Girl: Create Your World Sticker Book** American Girl,2025-09-02 It's an American Girl toy collection you can fit in your backpack With more than 600 full color stickers American Girl fans will love getting creative by completing scenes featuring their favorite Truly Me playsets dolls and more Decorate and create with all the best Truly Me playsets dolls accessories pets and more in this full color sticker book Use photographic stickers to mix and match as you explore all your favorite hobbies and interests including Plie Away Dance Practice Coffee Shop Breakfast Get Outside Camper American Girl Air Lines Gourmet Kitchen Plie Away Dance Practice Day at the AG Caf Pet Spa and Daycare Extra Sweet Birthday Part And even more fun **Fodor's 2012 South Florida** Stephanie E.
