From Beneath the Surface Karen Maddox, 2012-06-14 The third chapter of the Holy Bible's book of Ecclesiastes begins To everything there is a season and a time to every purpose under the heaven KJV This book is but a mere sample of observations made during various times the author experienced or an effort to capture a state of being or mood and express it through poetry as a Christian Being one who has made many mistakes but acknowledging the Lord in all ways so that God can direct her path From Beneath The Surface begins with an attempt to state the author's understanding of what Christianity is to her One of the first few poems admits I Don't Know with regard to where to begin as a Christian witness while continuing to seek the Lord's purpose for her life First View gives a brief glimpse of the author's humble beginnings All poems in between the covers from Fear to Givin Up attempts to convey thoughts experienced while passing through situations while outside of God's will He Felt That Way One Day Romantic Fool Unleashed etc having gotten off track Reality Attack as well as inside of God's will Praying to God with Lord These People Need Help understanding comes through Love Anyway then a few philosophical words shared through such poems as Room For All and Grains of Sand The author ends with the poem Keep the Faith Alive which confirms that no matter what lies ahead with faith in God the Lord will see you through Heres written proof that even a person with a messed up life can witness for the Lord when called to do so Having experienced hurt abuse anguish pain heartache deception discrimination rejection etc just like everyone else has after prayerfully reading the Holy Bible the author has grown to understand that love in a godly manner with patience kindness endurance steadfastness etc is what the Christian is supposed to do as Christ's representative Regardless of the situation or circumstance one's belief faith and love of God should shine through because With God all things are possible Please note that although this compilation was first copyrighted in May 1990 all works were written prior to 1988 and additional material has been added reflective through current situation With a goal of putting something positive back into her community without stepping on or using others to do so Karen utilizes God-given talent and ability to interpret her life's situation One could say these works touch on existentialism a philosophy centered upon the analysis of one's existence in the world with regard to the author's relationship with God at different times in her life Hopefully this book will
