Sweet Enemy:

Sweet Enemy Kristen Callihan,2021-09-30 *Sporting Cultures, 1650-1850* Daniel O'Quinn,Alexis Tadié,2018-01-01 *Sporting Cultures 1650 1850* is a collection of essays that charts important developments in the study of sport in the eighteenth century

Britain and the Defeated French Peter Mangold,2010-11-30 The four years between the military defeat of France by Nazi Germany and D Day were vital dramatic and eventful years in Anglo French relations These years saw the first armed clashes between France and Britain since the Napoleonic Wars including the infamous Royal Navy attack on the French fleet at Mers el Kebir They also saw a curious relationship developing between Britain and Vichy France Vichy was at once a hostile power under German domination and at the same time a porous regime through which British influence on its politics attitudes towards the Resistance and the transit of British soldiers and airmen through its territory en route to Spain could flow quite freely Britain had an ambivalent attitude towards Vichy obviously adversarial but also pragmatic The history of Vichy France is often viewed as a sideshow in the overall context of World War II However Peter Mangold here shows that the Vichy attitude towards the allies especially the British was ambivalent and complex His absorbing and up to date account based on original historical research highlights the conflicts within the Vichy regime and the ways in which contacts and connections with de Gaulle in London and the British Government were maintained This exciting and fast paced book brings to life the major characters in the story not only Churchill and de Gaulle but also Macmillan Petain and Leclerc In this book Mangold deftly reassesses the complex international wartime chessboard and in the process reveals a little known aspect of the World War II story

Last Hope Island Lynne Olson,2017 When the Nazi Blitzkrieg subjugated Europe in World War II London became the safe haven for the leaders of seven occupied countries France Belgium Holland Luxembourg Norway Czechoslovakia and Poland who fled there to avoid imprisonment and set up governments in exile to commandeer their resistance efforts The lone hold out against Hitler s offensive Britain became a beacon of hope to the rest of Europe as prominent European leaders like French general Charles De Gaulle Queen Wilhelmina of Holland and King Haakon of Norway competed for Winston Churchill s attention while trying to rule their embattled countries from the precarious safety of Last Hope Island Provided by publisher

Temple Bar George Augustus Sala,Edmund Yates,1897 *Her Husband was a Woman!* Alison Oram,2013-01-11 Tracking the changing representation of female gender crossing in the press this text breaks new ground to reveal findings where both desire between women and cross gender identification are understood *Her Husband was a Woman* exposes real life case studies from the British tabloids of women who successfully passed as men in everyday life perhaps marrying other women or fighting for their country Oram revises assumptions about the history of modern gender and sexual identities especially lesbianism and transsexuality This book provides a fascinating resource for researchers and students grounding the concepts of gender performativity lesbian and queer identities in a broadly based survey of the historical evidence
