True Stories Of The Commandos Robin Hunter, 2013-03-31 Raised in the dark post Dunkirk days of 1940 to carry the war to the enemy in five short and violent years the British Army Commandos established a reputation that has made the name Commando the mark of the fighting man The Commandos began as small scale raiders but their operations grew in size and destruction as the war progressed until in the end there were four full Commando Brigades superb units which fought in every theatre of war from Norway to Burma from the coast of France to the islands of Yugoslavia The Commandos were disbanded in 1945-46 but reformed in the 1970s and in 1982 about 1000 army Commandos set sail to fight in the Falklands War The long and proud history of the army contains accounts of many fine and distinguished units but few can equal and none exceed the story of the British Army Commandos

The Commandos Charles Messenger, 1991

The Pilot and the Commando Anthony Meredith, 2011-12-21 The Pilot And The Commando tells the stories of David Carter MBE a Fleet Air Arm pilot and his close friend Jos Nicholl MC an Army commando giving fresh and vivid insights into what it meant to be a young man on active service in the Second World War fighting in places as remote as Ceylon Africa Madagascar Yugoslavia and Albania Major events in which they participated

also included the sinking of the Ark Royal off Gibraltar the Allied landings at Salerno and the liberation of Sicily and Italy A final chapter puts their wartime service into the context of their later lives The Pilot And The Commando is much more however than just a stirring commemoration of bravery in action Both David and Jos were committed Christians and the book much helped by the use of diaries and letters has as its central theme the testing and strengthening of their faith through times of deep adversity Writing of his experiences soon after the war Jos Nicholl concluded I have found that Jesus Christ provides the inspiration for every possible occasion or need He can act as guide and helper and comforter but primarily He can be the driving force in a life that is devoted to Him and with this compelling power behind them it becomes true in practice that the people that do know their God shall be strong and do exploits These words find complete exemplification in The Pilot And The Commando David and Joss story is both uplifting and challenging *The Commandos* Charles Messenger,1985 Under 2 Verdenskrig opstillede Storbritannien en række uafhængige kommandoenheder der benævntes The Commandos Disse kommandoenheder var specialister i ukonventionel krigsførelse og blev indsat på alle fronter under 2 Verdenskrig ofte forud for større samlede allierede operationer men de kæmpede også på egen hånd f.eks. med sabotage og lignende bogen beskriver disse enheders indsats under krigen **The Commandos of World War II** Hodding Carter,1981 The exciting exploits of these British crack hit and run forces **Inside the Commandos** James D. Ladd,1984 **The Commandos**,1978 **On Commando** Dietlof Van Warmelo,1902 Combined Operations; The Official Story of The Commandos Hilary St. George Saunders MC,2016-07-26 This is an astonishing absolutely absorbing account of the accomplishments of those picked men from the Royal Navy the British Army and the Royal Air Force who work with U S Rangers and others of the United Nations in what is known officially as Combined Operations or more popularly the Commandos So far as possible without giving aid to the enemy it is the complete story of the Commandos since the very beginning of their activities commencing with the experimental attacks on Norwegian islands and proceeding with more ambitious attempts on the Continent In quick succession follow highly dramatic accounts of the assault on southern Italy the evacuation of Crete the defeat of the French in Syria the daring penetration of the enemy's line in Libya culminating in the suspenseful stalking of Rommel's headquarters the assault on St Nazaire the capture of Madagascar the Dieppe raid the invasion of North Africa The book is utterly without heroics and yet is all heroism The reader marvels at the terrible efficiency the terrible simplicity the terrible courage and the awesome nonchalance of the British Royal Navy and Army and R A F men who participate in these raids The author has the true narrator's gift a style which is direct authentic episodic in a high degree and stirring from beginning to end The inspiring scenes he describes keep recurring to the reader long after the book has been laid aside *Combined Operations the Official Story of the Commandos* Louis Mountbatten,2023-07-18 Combined Operations is a detailed account of the development and operations of the British Commandos during World War II The book provides an inside look at the strategy tactics and training of the Commandos and covers some of their most daring
