### **Threefold Garland:**

The Threefold Garland Hans Urs Von Balthasar, 2012-09-27 The renowned Swiss theologian offers in this little book very beautiful and practical reflections for praying and living the 15 mysteries of the Rosary He makes the profound truths and events of our salvation take on a freshness and splendor by allowing the reader to enter his own contemplation of the mysteries Von Balthasar's theology is a theology that does not read like theology but one that derives from prayer and leads back to prayer Contemplating each of the Joyful Sorrowful and Glorious mysteries with his focus on Jesus giving himself for us and Mary's part in it Von Balthasar leads the reader to see that Christian prayer can attain to God only along the path God himself has trod a God who not only addresses his Word to us but makes it live among us Von Balthasar says his meditations are designed to free the prayer of the Rosary from a certain narrowness alien to Mary's own spirit and easily leading to monotony and to nourish it with the fullness of God's saving thoughts and saving deeds for the world Von Balthasar's meditations can make the Rosary a living experience Spiritual Book News For anyone looking for Rosary meditations this book would be a first rate choice Spirituality Today No other book on the Rosary has such profound depth It is a bouquet fragrant with the scent of a truly spiritual life Its freshness will inspire you New Covenant *The Threefold Garland* Severine Kirchhof, 1999 *Engaging the Doctrine of Jesus (and Mary)* Matthew Levering, 2025-03-10 The six chapters of this book focus upon Jesus' conception and birth from a virgin his authoritative teaching his miracles his cross his resurrection and his ascension The purpose of the book is to articulate and defend the truth of these salvific mysteries as presented to us in Scripture In addition to conversing extensively with historical critical biblical scholarship the chapters make recourse to the theological tradition from the church fathers onward with Thomas Aquinas as a touchstone Levering seeks to make a case for believing in Jesus At the same time he shows how each of these mysteries is intimately linked with a truth about Mary the Mother of Jesus thus arguing for the integral relationship of Christology and Mariology Mary enacts the reception of the Lord by God's faithful people the New Adam never chooses to be without the New Eve in God's new covenant family The Christology offered in this book is therefore both attuned to historical studies of Jesus and Second Temple Judaism and at the same time deeply traditional in a contemporary Catholic and ecumenical way **The Odes of Bacchylides in English Verse** Bacchylides, 1929 **Atonement** Margaret M. Turek, 2022-04-16 This book presents the chief insights concerning the mystery of atonement in the works of four theological guides John Paul II Joseph Ratzinger Benedict XVI Hans Urs von Balthasar and Norbert Hoffmann The author argues for the central importance and perennial value of a theology of atonement even as she explains the modern aversion to it The book's central aim is to deepen our understanding of the biblical claim that God shows himself to be love precisely by sending his Son as atonement In this is love not that we loved God but that he loved us and sent his Son as expiation for our sins 1 Jn 4:10 The book develops a compelling vision of atonement as a process that originates from and is engendered by God's own power to love This vision not only takes account

of the gravity of sin and its consequences but also provides a clear illumination of the wholly gratuitous radically forgiving passionate and powerful nature of God's redeeming love for mankind Distinct from the majority of theological accounts of atonement which focus almost exclusively on the role of Christ this book highlights the role of God the Father in the atoning mission of the Son *Divine Fruitfulness* Aidan Nichols,2007-02-22 Hans Urs von Balthasar is emerging as a colossus of twentieth century theology More and more of his works are being translated But as yet he is mainly known only through his great multi volume trilogy *Glory Theo Drama and Theo Logic* Aidan Nichols has treated each part of the trilogy and the early works in his widely acclaimed *Introduction to Hans Urs von Balthasar* In this final volume he explores all von Balthasar's later works Many of these works are extremely important although several are as yet untranslated and several as yet almost unknown Nichols ranges widely and comprehensively from journal articles to his major works such as *Apokalypse der deutschen Seele* to his final short works The result is a wholly new perspective on von Balthasar a contextualising of his trilogy and an illumination of his whole life and work **Deep Mysteries** Aidan Nichols OP,2018-11-27 This study explores the way in which by way of the Christian mysteries divine action impacts human life The triune God acts in Jesus Christ by means of historical events whose effects transcend time and which are mediated through their celebration in memorial and worship Drawing on both Evangelical and Catholic writers Nichols provides evidence that the general portrait of Jesus found in the Pauline letters and the four Gospels rests on reliable historical witness On this basis he offers a concise Christology which presents Jesus Christ as the fulfillment of the Messianic hope of the Old Testament explores his unique being as laid out in the teaching of the great Ecumenical Councils of the first Christian millennium and describes how the classic theologian of the Latin tradition St Thomas Aquinas sees the chief historical events of Christ's life as affecting humanity throughout future time Nichols then looks at the Christian concept of God namely Trinitarian monotheism God so conceived can act efficaciously in the created order and does so by the deployment of his Word and Spirit in ways which express for a fallen historical world the dynamics of the interaction of the divine Persons in eternity Persons who now draw human beings within their range Those gains in understanding are then applied to the individual mysteries of the life of Christ from his biological conception to his coming Parousia For each mystery Nichols describes a biblical preamble an account of how the mystery is seen by the Liturgy and the Fathers of the Church illumination from the three theological masters whom the author makes his own in this work Aquinas Balthasar and Bulgakov and a visual image drawn from the treasury of sacred art

principle from the patristic and medieval periods up to Vatican II and John Paul II's *Mulieris dignitatem*. He then gathers together the intuitions and references to that principle in von Balthasar's works. For von Balthasar, Mary represents Christian discipleship, the perfect yes of faith, transparency to God, and the vocation to love. In this book, Brendan Leahy explores von Balthasar's vision of Mary and her relevance for the Church, since Mary and the Church are one in their fundamental vocation. In an era when John Paul II has helped us rediscover the Petrine ministry in the Church, von Balthasar brings us back to the Marian principle of faith and love without which the Petrine principle could not bear fruit. Here is a book which leads us to the heart of the mystery of the Church. John O'Donnell, S.J., Weston School of Theology, Cambridge, Massachusetts. Leahy has succeeded to bring into relief the structure or logic of von Balthasar's Mariology and has produced a book that contributes significantly to its understanding. Dr. David Schindler, Editor of *Hans Urs von Balthasar: His Life and Work*. Attentive readers will be enriched not only in their ecclesiology and Mariology but also in their trinitarian theology and Christology, as well. Frederick M. Jelly, O.P., Professor of Theology, Mount St. Mary Seminary, Emmitsburg, Maryland.
