Ultimate Evil:

The Ultimate Evil Maury Terry, 2021-04-20 The true crime cult classic that inspired the Netflix docuseries *The Sons of Sam: A Descent into Darkness* and a companion podcast *The Ultimate Evil* follows journalist Maury Terry's decades long investigation into the terrifying truth behind the Son of Sam murders. On August 10, 1977, the NYPD arrested David Berkowitz for the Son of Sam murders that had terrorized New York City for over a year. Berkowitz confessed to shooting sixteen people and killing six with a .44 caliber Bulldog revolver, and the case was officially closed. Journalist Maury Terry was suspicious of Berkowitz's confession. Spurred by conflicting witness descriptions of the killer and clues overlooked in the investigation, Terry was convinced Berkowitz didn't act alone. Meticulously gathering evidence for a decade, he released his findings in the first edition of *The Ultimate Evil*. Based upon the evidence he had uncovered, Terry theorized that the Son of Sam attacks were masterminded by a Yonkers-based cult that was responsible for other ritual murders across the country. After Terry's death in 2015, documentary filmmaker Josh Zeman (*Cropsey: The Killing Season*, *Murder Mountain*) was given access to Terry's files, which form the basis of his docuseries with Netflix and a companion podcast *Taken Together* with *The Ultimate Evil*, which includes a new introduction by Zeman. These works reveal the stunning intersections of power, wealth, privilege, and evil in America from the Summer of Sam until today.

Champion's Rising S.F. Claymore, 2019-02-03 Prince Snarmis is a giant of a man, one of the strongest in the kingdom of Psykoria. But although he towers above his peers, Snarmis's skill at fighting fails to impress his father, whose approval he seeks. His close friend, Celtor, leader of a mysterious and hermetic group of forest dwellers, advises him to seek help from werewolves. Before he sets off, Serenity, a young enthusiastic and naive member of the tribe, pleads with him to take her with him to give her a taste of life beyond the forest. He is giving Serenity a tour of Psykoria's capital when the country is invaded by the daemons' terrifying, blood-thirsty monsters set only on death and destruction. Snarmis realizes he must become a great warrior or die in the attempt and accept help from anyone willing to offer it, including Serenity. Snarmis's quest is no longer just about proving himself; for if he fails now, Psykoria will be reduced to ruins. If you like action-packed fantasy with lots of character development set in a world filled with almost every magic creature you can think of, then you'll love this heroic fantasy tale. Get *Champion's Rising* now and witness Psykoria's greatest stand.

When Universes Collide Jacob Emerald, 2017-11-20 When Michael falls down a portal, he meets tons of new people and makes many new enemies. As he travels, he saves different dimensions and tries to solve the mystery that is his family.

The 1970s Neil A. Hamilton, 2009 Traces the history of the United States during the 1970s as well as presenting primary source material such as memoirs, letters, news articles, and speeches.
