Build a Better Brain - Live a Better Life Clive Cable,2016-07-06 Superior brain power is now the most sought after advantage in the world Along with having a steel trap memory for business Here s why It s not who you know that counts any more it s what you know about who you know In other words when you can remember vital facts about the people you do business with you ll do more business with them You ll get more opportunities to grow your own business and more Imagine this You want to to a joint venture that will 10x your business almost overnight Who will you choose to partner with Or more importantly who will choose to partner with you A business friend or a business stranger The more you know about others the more rewards you ll get in life Ignorance isn t bliss in business When you have a superior memory you ll out shine all of your competitors

Afraid of God Gary Mendiola,2006-05 As a whole the people of the world are lazy and we don t use our minds for their intended purpose Everyday we live a lie The way we are is dictated to us through a self absorbed mindset that was forced on us by God However this is not religion *Afraid of God* Get A Life Keep Your Hell Private is about relinquishing our old views ways and means When author Gary E Mendiola conducted research interviews he found that people often felt that they have to be the way they are But this is not true Religion is just one more part of the system that keeps us blocked from the truth that Mendiola reveals in *Afraid of God* pointing out not only what we are but what we should not be Yet he does not seek approval or redemption through or for a church The God that Mendiola has discovered truly wants us to return to the knowledge that he or she gave us In *Afraid of God* he divulges this revelation through his own interaction with a highest power and shows us the way to enlightenment
