## To Begin With:

**Why Didn't God Do That to Begin With?** Raymond Navarro, 2010-05-11 Have you ever wondered whether God could have created a world in which sin and therefore evil never had the possibility of existing And if God could have created such a world why didn't He do that to start with In Why didn't God do that to begin with Raymond Navarro examines that very question At the final consummation of this world we know that God will certainly bring about a world a new heavens and a new earth in which there is absolutely no possibility of sin thereby creating an environment where death and evil are non-existent If God is certain to bring this type of world into existence why didn't He do that to begin with and what could have possibly been the purpose or reasoning behind such a decision Why didn't God do that to begin with is a must read for anyone ready to get serious about answering the tough questions of our Christian faith
