You Have Chosen:

Explaining the Practice of Elevating an Ancestor for Veneration George Shakwelele, 2023-06-13 The Bisa people of Nabwalya Zambia love their culture and gladly celebrate all their traditional festivals This book presents exciting research into Kusefya pa ngena rituals through which the Bisa elect ancestors for veneration The Bisa speak freely of how their belief in ancestor veneration does not conflict with their worship of God For them the two work hand in hand Traditional practices are considered vital to the community because they enhance life reinforce cultural values and explain life events Those questioned said ancestor veneration should continue because it benefits current and future generations For example their most celebrated ancestor Kabuswe Yombwe when petitioned provides rain and a good harvest for the community People affirmed that rain fell each time they petitioned Kabuswe One woman who is married to an elder in a Pentecostal church vowed not to give up ancestor veneration to which she attributed the healing of her son and daughter She pledged her allegiance to both Jesus Christ and to her family s ancestors In another story an ancestor appears in a dream to an expectant woman demanding that her child be given a feminine name The mother obeys to avoid the child being born with a sickness

You Can Master Your Fear Magdalena Scopelitis, 2012-06-26 Be the master of your fear and you can rule over your life Fear is the only obstacle between you and your dreams between you and what you most love So says Archangel Raphael who in this series of channelings unravels the mysteries of fear and through its darkest paths guides you step by step up to the glade of love He helps you tear away fears masks one by one till you come to know its real face only then does he teach you the ways to transmute it into love thus eliminating its disastrous implications According to Archangel Raphael fear shows that somewhere in the deepest part of your being you have chosen hatred versus love and your life cannot have real meaning Only when your fear is transformed can real life happen to you The end of your fear will signal the beginning of your life Until that day comes you will have just lived in a lie in an illusion I am only asking you to give me your fear Archangel Raphael adds and I will give back to you your love the most precious gift you ever had

Conjugaison des verbes anglais irreguliers , *But the Greatest of These Is Love* Edward M. Vigeant, 2014-03-05 This new Thought System emphasizes application rather than theology It specifically states that a universal religion is impossible but a Universal Experience is not only possible but also necessary This Universal Experience is Love Universal means that all of the billions of people who have passed through this world since time began and all of the people who are here now seven billion would know God God is Love To know Gods Love within is to know God Where learning ends there is Love Love is not learned There was never a time in which you knew it not Once this new perception of God is accepted then everything changes The quiet Voice of Love will help you to reinterpret everything you have been taught as fearful and that makes you feel guilty and will change them to only what is loving is true There are no rules and regulations to obey You need do nothing The Power of Love will set you free It is not through any of your efforts Here is the ultimate release which everyone will one day find in his own way at his own time

Think about this If Love is the primary focus of your life what are you going to do wrong Fear God and keep His commandments becomes Know God and accept His Certainty According to Wikepedia it is estimated that there are approximately 4 200 religions in the world today I say But the Greatest of These is Love **On Becoming a Teacher** Edmund M.
