## **When We Go Shopping:**

*You're Grounded Forever . . . But First, Let's Go Shopping* Susan Shapiro Barash, 2010-09-28 Susan Shapiro Barash's provocative new book examines the most difficult challenges any woman faces when raising daughters. Sample chapters include: What color would you like that Prada bag in material indulgence; Do you need to be eating that fixation on food and weight; Of course you can drink when you're home with me; loose boundaries and rules I know she's your friend but underestimating female friendships; I'll just say you aren't feeling well making excuses; And much more. **Shopping** Jenny Shaw, 2013-04-24 We spend more time shopping than doing anything else after sleep and work. So why is it not taken more seriously? The answer we take shopping for granted. Indeed, culture can only work by being taken for granted. This paradox that what is most familiar like shopping is also the hardest to see analytically provides the starting point for this compelling examination of the many dimensions of the shopping experience. Shopping enables readers to realize the significance of their shopping memories and milestones; how the rhythm of the day or week revolves as much around shop opening hours as working hours or bus times; and why Mayor Giuliani was right after 9/11 to tell Americans to keep on shopping. From an exciting cultural perspective, Jenny Shaw explores how shopping is viewed; the history behind its fall from grace; its part in the common culture; its role in helping us craft new identities; hold on to old ones; adjust to change; and generally hold us together both as individuals and communities. Students of sociology, anthropology, social psychology, media, and business studies interested in culture and the everyday world will be gripped by this engaging and accessible guide to the meaning behind what the ordinary shopper actually does and why shopping remains so popular despite social and cultural changes.
