Where To Begin:

Where to Begin Cleo Wade, 2019-10-08 NATIONAL BESTSELLER Cleo Wade's second anthology of heartfelt poetry and prose builds on the wisdom of her bestselling book *Heart Talk* encouraging you to remain hopeful and harness your personal power to bring positive change into our world *Where to Begin* is perfect for those who are ready to be a part of building a society rooted in love acceptance justice and equality From Cleo Wade *Where to Begin* is a collection of the ideas mantras and poems I turn to when I feel like I am losing it I wrote this so that I could put them all in one place when I felt overwhelmed by worry fear anxiety or helplessness The words in this book are what stop me from walking away from the problems of the world during tough times They also help me stay connected to hope during difficult moments and remind me that even on the days that feel the most daunting I still have the power to show up and do something somewhere in some way Change making comes in all sizes It doesn't always have to be one big gesture or nothing As my friend Jenna often says The big stuff is the small stuff Your big life is made up of a collection of all of your small moments Our big world is a made up of a collection of all of our small actions This book is about where to begin
