With Red Hands:

With Red Hands Stephen Woodworth, 2004-12-28 Natalie Lindstrom was once one of an elite group of investigators with the power to interview the dead victims of violent crime But now Natalie has had enough Enough of the violence Enough of the darkness that has already gotten too close to her five year old daughter Yet as she tries to build a new life and protect her child from the world she has left Natalie still knows injustice when she sees it And she knows that in a high profile California trial a young man is getting away with murder The case against Prescott Hyland Jr is airtight until a corrupt Violet delivers devastating testimony against another man Now Natalie is being drawn back into her former career and a danger far worse than she can imagine For while one killer is being tried in a courtroom another has gone horribly free to unleash a storm of vengeance aimed straight for the heart of Natalie s new life Because in the world of the Violets sometimes your past can literally come back to haunt you

Dragoncrown Emery Garriott, 2015-04-08 A place of great beauty Thuringland and its tributary states exist on the edge of perilous balance of power resources and control Every aspect of life on Thuringland is connected but there are those who will risk that precious equilibrium for their own needs The Dragonlord Seldric bearer of the all powerful Dragoncrown controls the dragons upon which so much of life depends Their fiery breath produces magical coins used for both commerce and energy The dragons protect the realm and enforce control of the tributary lands all are dependent on them Life in Thuringland could not exist without the odious burden of slavery and too many races are considered to be little more than commodities by those in power In the jungle of Sinjer a race of proud warriors fights for survival freedom and dignity The Sinjeryan all female race left the world of men behind to free themselves from oppression but Seldrics demands for tribute women as his protectors and concubines challenges that As one of the proud Sinjery Dragonflyers Seldrics present concubine Trallalair will do anything to end her races odious tribute At Hells Breach an open portal to the underworld from which demons and zombies threaten all life poets wielding magical words fight to save their world When a seemingly unconnected string of events frees the dragons no one is safe from their wrath Can brave champions of many races come together to restore the realms balance of power before it is too late
