William Shakespeare

Wolves Against The Moon:

Wolves Against The Moon Julia Cooley Altrocchi, 2025-06-18 Julia Cooley Altrocchi's *Wolves Against the Moon* is a sweeping historical novel set against the rugged backdrop of the American frontier. Rich in historical detail and adventure, the novel follows the life of Ren de Veaux, a young Frenchman who finds himself drawn into the perilous world of the fur trade in 18th-century North America. As Ren navigates the untamed wilderness, he encounters Native American tribes, fierce rivalries, and the ever-present dangers of survival in an unforgiving land. The novel vividly portrays the harsh realities of frontier life: raging rivers, treacherous landscapes, and the constant threat of attack from both man and beast. Through Ren's journey, Altrocchi explores the cultural tensions, alliances, and conflicts that defined the era, particularly the struggle between European powers and Indigenous nations over control of the land and its resources. With lyrical prose and meticulous research, *Wolves Against the Moon* captures the spirit of an age where fortune and fate were dictated by the wild forces of nature and human ambition. A gripping tale of resilience, courage, and adventure, this novel is a must-read for lovers of historical fiction and frontier sagas.
