today if you re a woman over 50 When to Avoid Intermittent Fasting as a Woman Different Methods Of Intermittent Fasting For Women Over 50 Myths and Intermittent Fasting misconceptions and much more It is interesting to know that some of the motivations behind intermittent fasting are not related to diet at all Fasting has been present for a very long time The first and most obvious reason behind fasting is simply religious or spiritual devotion In religions like Islam Christianity Hinduism and Buddhism the fasting is done for religious purposes The simple act of fasting is said to increase the spiritual prowess of a person There is also the reason of tight schedule which inspires people to take up this style of eating Some of us have no time for breakfast and intermittent fasting comes as a rescue One can still follow the style of healthy eating even with the habit of skipping breakfast Another reason why some people take up the act of intermittent fasting is because of physical fitness and weight loss This is one of the most popular reasons why this eating pattern is adopted Most of the methods of intermittent fast revolve around limiting our meals and snacks to a specific time The time frame is usually chosen between 8 to 6 hours within a day In one of the methods the meals are decided to be taken in any eight hours of a day while the remaining sixteen hours are to go without a food intake Despite the claim of critics the intermittent fasting has been proved by science It provides many benefits including those of health weight loss and general cholesterol What are you waiting for Get your copy now And enjoy your perfect line and your new vitality Click the Buy Now button **Intermittent Fasting Guide VI**
