Mahadevan on His Fiftieth Birthday. Contributed by Fifty-two Scholars, Eastern and Western. (Editor-in-Chief, C.T.K. Chari.) Balasubramanian, 1998 *Mythologies and Philosophies of Salvation in the Theistic Traditions of India* Klaus K. Klostermaier, 2006-01-01 Based on exhaustive reference to primary source material this volume explores the relationships between religious mythologies and religious philosophical system within the theistic traditions in India Not content merely to explore these relationships the author further examines the relevance of mythology and philosophy in a discussion of salvation salvation understood in its sociological eschatological and philosophical senses The treatment of myth and philosophy is comprehensive in scope pulling together a great variety of sources and commentary and illuminating them for the Western reader This study will be of interest both to students of Indian religions and to students of comparative religion interested in creating a context for the discussion of Eastern and Western religions **The Role of Divine Grace in the Soteriology of Śaṅkarācārya** Malkovsky, 2018-08-14 This volume examines the role of divine grace in the non dualist soteriology of a kara The author argues that grace is an essential but generally overlooked feature in a kara s enlightenment spirituality Introductory chapters summarize recent developments in a kara research a kara s epistemology and ontology ancient Ved ntic teachings on grace and modern scholarly disagreement about grace in a kara s Advaita system The heart of the book consists of two lengthy exegetical chapters examining a kara s key passages on grace from his dozen genuine works The final chapter presents for the first time a systematic summary of a kara s understanding of the operation and necessity of divine grace This book provides a useful summary of a kara s system as a whole besides offering a radical revision of the standard understanding of a kara s soteriology It also reveals that a kara was much more indebted in his thinking to his Vedantic predecessors than had hitherto been thought Hinduism as a Missionary Religion Arvind Sharma, 2012-01-02 Is Hinduism a missionary religion Merely posing this question is a novel and provocative act Popular and scholarly perception both ancient and modern puts Hinduism in the non missionary category In this intriguing book Arvind Sharma re opens the question Examining the historical evidence from the major Hindu eras the Vedic classical medieval and modern periods Sharma s investigation challenges the categories used in current scholarly discourse and finds them inadequate emphasizing the need to distinguish between a missionary religion and a proselytizing one A distinction rarely made it is nevertheless an illuminating and fruitful one that resonates with insights from the comparative study of religion Ultimately concluding that Hinduism is a missionary religion but not a proselytizing one Sharma s work provides us with new insights both on Hinduism and the consideration of religion itself *The*
