Why Sci Matters:

The Geek Manifesto: Why Science Matters to Government (mini ebook) Mark Henderson, 2012-05-04 This mini ebook features a sample chapter from Mark Henderson's brilliant new book THE GEEK MANIFESTO why science matters The geeks are coming And our world needs them We live in a country where A writer can be forced into court for telling the scientific truth The media would rather sell papers by scaremongering about the MMR vaccine or GM crops than reporting the facts A government advisor was sacked for a decision based on science rather than public opinion Only one of our 650 MPs has ever worked as a research scientist It is time to entrench scientific thinking more deeply into politics and society To fight for policy based on evidence The full book is available from 12th May 2012
