

Illustrated by J. H. Stoddart

## Shell guide to SURREY

For all its neat houses and gardens and disciplined woods and beacons under the care of the National Trust, Surrey is still the county of exquisite variety, hills and valleys, wood and downland, forest and chalk, moorly benches and green slopes (Box Hill, for example, with its mass of wild box trees), pine and birch, gorse (1) and bluebell, whortleberry (2) and wild strawberries. It is a county for chalkland flowers such as marjoram, rampion (abundant by the racemose at Epsom) and yellow-wort; for dark old yew; for nightingales (3), warblers, and nightjars (4).

*Low on the fir-branch, his rattle-note unswayed,  
Bending o'er the glass, spins the brown bee-jar*

wrote one of Surrey's poets, George Merdith, who lived at Box Hill, about the nightjars of Surrey heathland. Great chalk quarries provided lime for building and rebuilding London in past centuries. There is a London note in Victorian villas and churches (the spire in the picture is of Westcott Church (1), near Dorking, one of several Surrey churches by the Victorian paragon, Sir Gilbert Scott). But though London fills it at night and at weekends, Surrey has contributed more than most counties to English gardening. It houses Kew Gardens and the Wisley Gardens of the Royal Horticultural Society. John Evelyn (1620-1706), gardener, diarist, dilettante, author of *Acetaria* (on salads) and *Sylva* (on trees), lived at Wotton, under Leith Hill. Gertrude Jekyll (1843-1932) lived, gardened and wrote her gardening books in west Surrey, where she developed the English herbaceous border under the influence of Impressionist painters.
