# Validating Your Training

**Luca Massaron, Bojan Tunguz, Konrad  
Banachewicz**

## **Validating Your Training:**

Validating Your Training Tony Newby, 1992 The ability to validate the success of a training programme and to determine modification requirements is essential for any trainer This text aims to cut through the tangle of existing definitions by devising a step by step guide to the development of tests and procedures which will determine the success of a programme The author explains how to implement validation and describes behaviour and attitudes towards training The book scrutinizes the conditions and standards required for testing and includes a section related to the use of statistics in training
